★ SPOTLIGHT ★

2. GEORGE O'DELL and ALAN GOSLING. George is 23 years old and works as a machine fitter. He has been riding bikes since he was 13 and bought a B.S.A. Gold Star when he was 16. He comes from Hemel Hempstead and started racing with Alan in March 1967, finishing in his first meeting with two third places. His greatest moment, so far, has been in winning a race at Brands Hatch at the beginning of last year. He's engaged and smokes size 8 Wellington boots.

Alan also comes from Hemel Hempstead and his birth certificate says he's 22. He earns his living as a landscape gardener, is engaged (not to George!) and started riding when he was 16. He realised one of his ambitions in winning the Duckham Trophy with George last year. His other ambition is to passenger in the T.T.

17. STEVE DOWNES and JOHN HARRIS are currently lying 4th in the British sidecar championship.

Steve works as an engineer in Tilbury Docks, comes from Dagenham, and has been racing for three years. He has no time for hobbies such as girls (strange fellow!) and plays football during the winter to keep fit (for what?). His father helps him with the outfit and his ambition is to get round Brands Hatch in 60 seconds.

John is a sales representative for Bosch and supports himself (wonderful things, these Y-fronts). He started racing on solos seven years ago but has been passengering Steve for two years. He built a 650 c.c. solo last winter but gets more of a thrill out of chairs. There is no truth in the rumour that he wets his bed — he saturates it!
