1991 SPONSORS

This season we are extremely pleased to welcome back again virtually all the sponsors that we had last year, with the addition of some who are new to the sport.

NOVICE 350cc and 351cc to 1300cc

Firstly a new sponsor to the motorcycle side in the form of H.E.A.T which stands for Heat Electric Advisory Team under the leadership of Tony Dutch, who along with Steve Miners of Mid Essex Electrical Engineers will be supporting the up to 350cc Novice Series, and the 351cc to 1300cc Novice Series as well as the normal sponsorship package Tony and Steve are hoping to provide something extra at the end of the season to the rider who in their opinion is worthy of a little help, this need not be the series winner, but someone who in their opinion deserves it.

350cc OPEN CLASS

Dennis Trollope/Morris Lubricants operated by Dennis and Ann Trollope, Dennis approached me at the latter part of last season to support the 350cc Open Class, as he is still marketing new 350cc T.Z. engines. Most of you will be familiar with Fowler Yamaha who support various riders at all levels of the sport, it is not only support but Dennis also races himself when time permits.

1300CC PRODUCTION CLASS

Sharon Finn girlfriend of the late Dave Burford will again be supporting the 1300cc Proddy along with Daves Dad, in addition to the normal end of season trophies, the winner will receive for one year retention a magnificent trophy which was specially produced in memory of Dave.

350cc PRODUCTION CLASS

Lionel Blanks and his wife are again supporting the 350cc Proddy in memory of their son Paul who lost his life in the sport he loved most, it is very heartening to know that those who have lost someone very dear to them are prepared to support the sport which cost the life of their dearest.

250cc PRODUCTION CLASS

Stan Stephens has again offered to support the 250cc Proddy as he has for the last couple of seasons, Stan as you will know is the man who does an awful lot of tuning, not only for road racing but in other branches of the sport as well.

BIKEBUSTERS F.A.S.T. TYRES OPEN SIDECAR

Barry Lovelock of Bikebusters of Marlborough is another who approached us with a view to sponsoring a Sidecar Series, this you will see is the third sidecar race in our programme, therefore making all three chair races Championships in their own right.

MOBIKE BROMLEY OPEN SIDECAR CLASS 1300cc OPEN CLASS

Steve Williams of Mobike Bromley are again supporting the 1300cc Open Class as well as a Sidecar Race.

On behalf of all the competitors I would like to thank all of our Sponsors not only for their financial support but also their support on the day, as well as assisting individual riders.

For those who are not aware what our sponsorship entails, no it does not cost an arm and a leg, all we ask is the sum total of 400, which is for one class for the whole season, which is used to supply end of season trophies and a Prize Fund, I am sure you will agree this is worthwhile when you consider the number of meetings you get for what is really quite a small sum, in fact considerably less than some clubs ask for a lot less exposure.

If you are interested we still have available the Single Cylinder Series, and the Non Power Valve L.C. Yamaha, if this appeals to you why not give us a ring on 0474 879731, if you are unable to find the full amount we can possibly work something out to suit the individual purse.

Yours in Sport

Terry Mount
