CLOSE FORMATION

## WHY SIT ON THE WRONG SIDE OF THE FENCE?

---

Would you like to be a marshal at our race meetings in the future? If so write to Terry Cooper (Chief Marshal), 6 Seacourt Road, Botley, Oxford, and get in with the action. No experience is required, just an enthusiasm for motor cycle racing. We will show you how. You'll meet new friends with the same interests in the friendly atmosphere of a dedicated club. So don't miss this chance to do a really worthwhile job and write at once. We even provide you with a free packed lunch

---

## EXPERIENCED OR JUST STARTING?

---

Whichever you are, why don't you join Britain's most progressive club? The Southern Sixty-Seven Racing Club is one of the few true CLUBS run by racers for racers. The organisers believe that the individual rider is important and the only meeting worth running is a slick one. This is of course appreciated by both riders and spectators alike.

If you want to join why not write to Derek Parker, 23 Meaden Hill, Northway Estate, Headington, Oxford, he is the membership secretary and can give you full information about the club.

If you don't want to race you can still join as a social member it will cost you less but you can still come to "club nite" at the Dolphin Inn, Wallingford, Berks, the first Thursday in every month.

JOIN THE FRIENDLY CLUB.

GRAND PRIX CIRCUIT 2.65 Miles

CLUB CIRCUIT 1.24 Miles

THE CLUB CIRCUIT 1.24 MILES IS IN USE FOR THIS MEETING

# Your printing tells a lot about your Company...

Yours may be the most progressive dynamic and successful business. But badly-printed tastelessly-designed letterheadings, brochures leaflets or press advertisements can brand you instantly as a throwback to the days of the Hackney Carriage and gas lights! And lose you business as a result.

Because any printed matter on which your name appears says something about you. It can indicate that you're reliable.

That you're well-established. That you give an honest, value-for-money service. Or it can give the impression that you operate from a tin-roofed shack in the middle of the local allotments.

Maybe it even conjures up a Scrooge-like organisation with quill pens scratching their copperplated way over yellow-edged parchment!

So what sort of image does your printed material present? Do you know—are you really sure? You can soon find out. Simply fix a meeting with the Modern Printers. That's where you'll find a fast printing service where quality really matters—but at a very reasonable price. You'll even find a professional design/writing service for even more sophisticated, effective results—and a useful edge over your competitors!

Find out more immediately—call in, phone or write to:
