## FOREWORD

A very warm welcome to Brands Hatch everyone and the Club is delighted that you have joined us to create a piece of its History as this is our *FIRST EVER* visit to this World-Famous Venue. Whilst it would have been great to run the Event over the Full 'Grand Prix' Circuit, the Club has elected to use the shorter but very spectacular 1.2 mile long "Indy" Circuit, which we hope will enable us to provide the necessary marshalling cover etc. and produce a good Meeting without being overstretched.

Unfortunately, we are unable to produce our normal comprehensive Foreword as we were at Mallory Park last Sunday and as our Printer's Programme deadline for today was before that event, we have abstained from trying to pick out the potential Winners, as it could really "put the mockers" on those particular Competitors for Mallory!

At the time of going to Press, there is a very strong and talented Entry including many of our resident speed merchants, although the numbers are a little down on our usual level. However, by the commencement of Practice, we expect the Entry List to have increased considerably. Today will see rounds 13 & 14 (out of 30) of our Season-long Championships (7 of 15 for the 1300cc Allcomers) and although several Classes already have clear Leaders there are still a lot of Points available. We expect to see most of the Championship 'hopefuls' fighting for points plus we anticipate some very interesting "North of Watford versus South" battles developing particularly as most of our regulars will be making their debut here whereas the "Locals" will know the best lines around this super Venue which used to be dubbed "Scratchers Paradise"! Hmmm.....food for thought.

The Sidecar Entry is notably depleted, but today is "Mad Sunday" in the Isle of Man, and it is the Centenary of the TT Races this week, so there are a fair number of our regular Sidecar Teams competing over there. However, as the TT Races are restricted to Formula 2 Machines, we expect to see our leading Formula 1 competitors enjoying some good skirmishes here and providing us with some spectacular and exciting alternative entertainment whilst we expect to see some different names heading the results in the F2s.

As always at this stage, we would like say THANK YOU VERY MUCH to the Marshals, Medical Personnel and the Brands Hatch Circuit Staff, because without their continued dedication, enthusiasm and support there would be, quite simply, NO RACING.

### **GOOD LUCK TO ALL THE COMPETITORS –**

**We hope you have a safe and very enjoyable Days' Racing**
