Brands Hatch v. Mallory Park.
TEAM CHALLENGE TROPHY.

In each of events 1, 2, 3, 4 & 5, six drivers already entered will be invited to represent Brands Hatch and six invited to represent Mallory Park. All finishers in these events will then be awarded penalty points, 1st — 1 point, 2nd — 2 points, 3rd — 3 points, and so on. The total number of penalty points so awarded to the best five members of each team only in all five events will finally be calculated and the trophy awarded to the team with the least number of points. Reserve drivers will be nominated for each team to replace any non-starters.

Any team members who fail to finish in his event will automatically incurr a penalty of 40 points.

In the case of a tie the sixth drivers performance in each team will decide the winning team.

THE INITIALS "B.H." OR "M.P." BY A DRIVERS NAME INDICATE THOSE DRIVERS INVITED TO REPRESENT THE RESPECTIVE CIRCUITS.

TEAM RACE ATTRACTIONS AT BRANDS HATCH TODAY

Photographs by Ronald Hunt and John Stoddart

Brands Hatch today is the setting for many of the new, and nearly all the established stars, to compete against each other in a meeting which is highlighted, by a team competition comprising those riders representing the home circuit versus the opposition from Mallory Park. In every solo event — with the exception of the Production race — six riders have been invited to represent Brands Hatch and six to keep the flag flying on behalf of Mallory Park.

Each finisher in these events will be awarded penalty points — the winner gets one, the runner-up two, and so on. The total number of points awarded to the five best performers in each team will be calculated, and a handsome trophy awaits the team with the least points.

In the 125 cc class Grant Gibson (Bultaco) and Charles Mortimer (Bultaco) spearhead the Brands Hatch attack, but fierce opposition comes from Mallory Park's Derek Chatterton (Mondial) and British champion in this category, Martin Carney (Bultaco). Honda-mounted Jim Curry is expected to be well up with the leaders on behalf of the Leicestershire circuit.

The same contestants represent their teams in the 250 cc race—a 20-lapper with a compulsory pit stop — but there are some noteable additions. Brian Ball (Yamaha) appears for Mallory Park, bringing with him the remarkable reputation which he has made in a comparatively short time. Last year's 250 cc Manx Grand Prix winner, Brian recently achieved the distinction of coming second to World Champion Giacomo Agostini in the Isle of Man Senior TT.

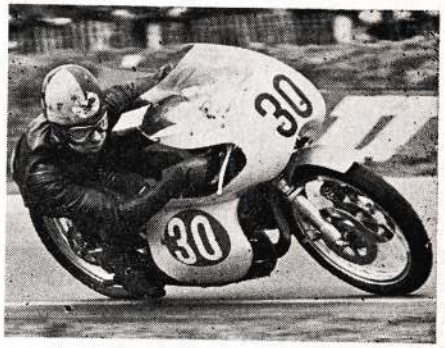
'King of Brands' is a title won only by sheer ability and the winner of this crown, fair-haired Dave Croxford (AJS) will be heading his men into battle on the 350 cc leg of the contest. Ably supporting him are Alan Barnett (AJS) and Aermacchi-mounted ace Paul Smart. Croxford is 'Master of Mallory' too, but obviously he cannot ride for both teams! However, determined to keep the Brands men at a lengthly distance astern will be some of Mallory Park's aces—Ray Pickrell (Aermacchi) and two of the biggest men in racing, Charlie Sanby (AJS) and Malcolm Uphill (Norton).

The 500 cc class includes the same all-star cast, but the really big guns are brought up for the race for machines of up to 1300 cc. We can expect to see Ray Pickrell's all-powerful 750 cc Norton Domiracer at the head of the pack to gain the advantage for Mallory Park, backed up by team-mate Charlie Sanby on another mighty Norton of the same capacity. Griff Jenkins is aboard the 750 cc Norton belonging to enthusiast Reg Curley, to keep the Brands Hatch score to a minimum; Pat Mahoney has another of the big twins, and the Kentish team is further supported by Paul Smart on a 650 cc Norton.

Although the sidecar contestants do not take part in the team racing, competition is likely to be equally cut-and-thrust. Chris Vincent (654 cc BSA) heads the impressive list of entrants, but the 750 cc sidecar TT winner Terry Vinicombe on his 654 cc BSA will be forcing his way towards the front, while trying to keep BSA-mounted Peter Brown at bay — as he did successfully in the 'Island'. The Hanks brothers, Norman and Roy, are competing on their unfaired BSA outfits, and there's some very unusual machinery in the line-up. For instance, Mick Rowell is racing his 4 cylinder 696 cc Honda machine; Gerry Boret, Dennis Keen and Rob Ayres each have a mighty 998 cc Vincent-engined outfit; Eric Parkinson is on his 3 cylinder 2 stroke Swedish marine-engined Crescent machine; and perhaps the oddest and most aptly named device of them all is the 1297 cc Ford-engined machine of Jack Levy on (or is it in?) which he and his passenger lie prone. He calls it the Unorfordox, and if only it will keep going it could cause quite a stir.

Increasingly popular with spectators and riders alike is the racing for production machines. The pick of the country's best are here today — Ray Pickrell (750 Domiracer), outright winner of the Production TT, is in direct opposition to the 500 cc class winner of the same race — Orpington journalist, Ray Knight (500 Triumph). Joint victors in the recent 500 mile race over the Brands Hatch 2.65 mile circuit, Dave Nixon and Peter Butler, each with a 650 cc Triumph, will be in opposition to each other today as well as with Griff Jenkins (650 Norton). BSA man Tony Smith, Martin Ashwood (650 Triumph) and John Blanchard on a 500 cc Velocette.

It should be an exciting meeting, and the added attraction of the team races is the final touch of what promises to be an exhilarating day.



Right: Alan Branett on the immaculate Kirby Metisse. Alan in his first TT ride lapped at over 100 mph.

Underneath: Terry Vinicombe on the BSA powered outfit that won him the 750 cc sidecar race at the TT.

Centre: Martin Carney is the current 125 cc British Champion. Here he leads Marsovszky, both are mounted on 250 Bultacos.

Far Right: Brian Ball hit 'top honours' in the TT by finishing second only to Agostini. He must now rank with the top riders in the country.

Bottom Right: Ray Knight on the Triumph Daytona won the Production TT 500 class and will be in the Production race today.

HOW FAST WILL IT GO?

Did you know that practising facilities exist at Brands Hatch for members of car and motor-cycle clubs to test their machines all day on Wednesdays and on Saturday afternoons (except when race meetings or official practice sessions are held*)?

The cost is 15s. per half-hour for cars and sidecars and 10s. per half-hour for motor-cycles. You will need a current driving licence, a crash helmet and, if you are a motor-cyclist, leathers or a barbour's suit, goggles and gloves. Drivers of open cars will also need either goggles or a vizor, and all headlamps must be taped.
