Your printing tells a lot about your Company...

Yours may be the most progressive, dynamic and successful business. But badly-printed, tastelessly-designed letterheadings, brochures, leaflets or press advertisements can brand you instantly as a throwback to the days of the Hackney Carriage and gas lights! And lose you business as a result.

Because any printed matter on which your name appears says something about you. It can indicate that you're reliable. That you're well-established. That you give an honest, value-for-money service. Or it can give the impression that you operate from a tin-roofed shack in the middle of the local allotments. Maybe it even conjures up a Scrooge-like organisation with quill pens scratching their copperplated way over yellow-edged parchment!

So what sort of image does your printed material present? Do you know—are you really sure? You can soon find out. Simply fix a meeting with the Modern Printers. That's where you'll find a fast printing service where quality really matters—but at a very reasonable price. You'll even find a professional design/writing service for even more sophisticated, effective results—and a useful edge over your competitors!

SOUTHERN SIXTY SEVEN

RACING CLUB

CLUBMAN'S MOTOR CYCLE RACES

DAVE EDGINGTON & TIM SAMWAYS

THE SOUTHERN SIXTY SEVEN RACING CLUB WELCOMES YOU TO THIS RACE MEETING

EXPERIENCED OR JUST STARTING?

Whichever you are, why don't you join Britain's most progressive club? The Southern Sixty-Seven Racing Club is one of the few true CLUBS run by racers for racers. The organisers believe that the individual rider is important and the only meeting worth running is a slick one. This is of course appreciated by both riders and spectators alike.

If you want to join why not write to Jill Parker, Graih-My-Chree, Brackley Road, Weston-on-the-Green, Oxon. She is the membership secretary and can give you full information about the club.

If you don t want to race you can still join as a social member it will cost you less but you can still come to "club nite" at the Dolphin Inn, Wallingford, Berks, the first Thursday in every month.

JOIN THE FRIENDLY CLUB.

WHY SIT ON THE WRONG SIDE OF THE FENCE?

Would you like to be a marshal at our race meetings in the future? If so write to PETE VICK (Chief Marshal), 29 Oxford Road, Kirtlington, Oxon., and get in with the action. No experience is required, just an enthusiasm for motor cycle racing. We will show you how. You'll meet new friends with the same interests in the friendly atmosphere of a dedicated club. So don't miss this chance to do a really worthwhile job and write at once. We even provide you with a free packed lunch.

DAVE EDGINGTON and TIM SAMWAYS **810cc Windle Norton**

1972 Winners of the Duckham Trophy

(see cover photo)

Dave and Tim started racing together at our Snetterton meeting in May 1970 on a rather uncompetitive Triumph outfit. During the rest of the season they raced at our meetings but with no success whatsoever.

In 1971 they purchased a standard BSA A.65 motor and a second-hand Greenwood frame. The resulting marriage was successful if not altogether fruitful, gaining the boys a lot of experience and a few placings, the best being third.

1972 was a make or break season for Dave and Tim. In an effort to make good, they invested their savings in something more competitive. A frame supplied by Terry Windle of Penistone, Yorkshire, powered by a near standard 750 Norton Commando motor; fitted at times with an 810cc conversion; gave an outfit with the necessary potential. The outlay of cash and effort was duly rewarded with 21 wins and numerous placings in 56 outings in clubman's and clubman's national events. The number of meetings entered (28) speaks volumes for the reliability of the setup.

Dave, born in 1949, a single man working as a motor mechanic, spent three seasons scrambling before he saw the light and discarded the knobblies!

Tim, also single and two years younger, works as a motor cycle mechanic for John Gleed Motor Cycles of Holm Norton, near Banbury — John is the boys' entrant and has helped them in every possible way to further their prospects.

TONY OSBORNE **500cc Seeley**

Winner of the Frank Higley Challenge Trophy for 500cc machines 1971 and 1972

Tony, at only 23, has found much success already on the racing scene. In his three years of racing he has a wealth of experience on machines of impeccable pedigree — John Blanchard's Greeves Silverstone; Ron Chandler's G.50 Matchless; Malcolm Uphill's Bonneville and Pete Gibson's Seeley. This year he is contesting the National 500cc Championship on the ex-Barry Randle 365cc Yamaha.
