A FEW FACTS ABOUT "BEMSEE"

1. The Club was founded in 1909 by a small band of enthusiasts to provide an outlet for their competitive interests. It has therefore survived two world wars and will doubtless surmount any lesser problems!

2. Our only interest is in the advancement of road racing although we must admit to being able to turn our hands to most other things as well—Charter Flights being one of our more successful ventures.

3. The Club provides, and will continue to provide, the same outlet to racing that it started way back in the dim and distant past. It caters for the complete novice for it realises that racing cannot continue without the younger riders taking an active interest.

4. Many of the great names of the past and the present started racing with the Club. In fact one rider, who shall be nameless, wrote on his membership application form that his ambition was "to win a T.T.—Ha, Ha, Ha!" To date he has won more T.T's than most other people!

5. We are the only Club of its kind in the world of motor cycle racing. A permanent office staff is always readily available to give helpful advice each weekday during normal office hours.

6. No, we're not cheap, but you can't expect quality without cost! Racing is an expensive business whichever way you look at it, and it is with thanks to our supporting members (who cough up with their subscriptions every year) that we are able to maintain a progressive outlook to racing. Why don't you join us?
