A Closed to Club Road Race Meeting for Motor Cycles held under the National Sporting Code of the ACU and the Supplementary Regulations of the Club.

Thrilling action in store

Mark Whiting will be hoping for a good result today in the 250 Race. Photo by: Seamus Masters.

BRITISH MOTOR Cycle Racing Club Championships return to Brands Hatch today, and all the thrills of competition will be displayed at our exciting venue on this first weekend in August.

As far as the Club Championships are concerned there are a large number of events to cover all tastes in motor cycle racing. Points tables elsewhere in the programme will show you that many of the categories are a close fought affair. No more so than in the sidecar events. The charioteers are all closely bunched in each section and as the season progresses we can expect to find great excitement in seeing who is going to come out top. The other very encouraging aspect of sidecar racing with Bemsee this year is the tremendous number of entries, and full grids for this event. No where in the country will you find such tremendous sidecar entry lists, and during the early part of the season we have had some fine racing here at Brands Hatch.

Excitement

Many of the regular spectators here today will recall the excitement that has been generated by sidecar racing over the years, but for any new spectators we are sure you will come back for more to see the sidecar series of the Bemsee Championship develop.

Top contenders in the four stroke category are Barry and Jane Fleury from Bath. Consistent good racing has put them in excellent placing for the title this year. Two stroke sidecars is a very close fought affair with the pairings of Body/Reach, Hall/Eastell and Reeves/Fordham all on fine form and going for maximum points

in the championship race. The 350 sidecars are just as exciting and is building into a close run chase with title contenders Smith/Wynn, Leather/Scott and Moeser/Bennett.

A quick scan down the entry list in all the solo events will give you an idea of the enormous amount of people who regularly participate in motor cycle road racing. The organisers aim is to get a full grid for each and every type of bike race. This is where you can see and confirm the popularity of Bemsee meetings with the riders. From 125s to the top of the range 1300 class in both Open and Production classes, you can see a fantastic

variety of machinery on the circuit. Even more interesting would be a visit to the Paddock where you can get a close look at the bikes and maybe a chat with the riders. This can also help to enhance your enjoyment of the racing itself and you will be able to identify the personalties involved in today's races. In recent years the technical ability of riders to get their machinery finely tuned has developed in leaps and bounds, and it says a lot for the enthusiastic club rider who is meeting these standards.

Take for instance 125 and 250 Open classes where series contenders Steve Hands, John Ansell, Paul Streets, Mark Whiting and Nigel Froud all produce bikes of the highest quality and have the ability in riding skills to match. You can also look out for thrills aplenty in the 250 Production camp with Paul Grantham, Gary Ball, Brian Giles and Kevin Davies all seeking to improve on their championship standings. That up and coming single cylinder class is worthy of mention too. The 250s are led by Peter Parish, Lee Cutler and Dave Gilbert, and the 600s have the likes of Steve Rutt, Gary Cotterell and Chris Cross. All these riders are capable of taking the chequered flag this afternoon.

Consistent

Tom Cuddy seems to be running away with the 1300 Production class with his display of very consistent riding and he is really developing into a very stylish rider. Neil Dove is well in front in the 750 Production as well as enjoying a massive points lead in the open series. Open class 1300 series leader is Jim Bunton who is celebrating getting a new major sponsor in Kestral Services UK Ltd, a domestic and industrial cleaning company from Biggin Hill. Tony Sullivan is chasing Jim hard and will be looking to close the gap today.

One thing you can be sure of is the quality of the racing here is very high indeed, and you will witness some great tussles here today. Motor cycle road racing is becoming more and more popular and here at club level that popularity is very strong. We hope you really enjoy today's racing.

The Brian Reeves/Dave Forham pairing will be out for maximum points as the Sidecar Championship hots up.

WHEN YOU talk to Bemsee regular Neil Dove, you certainly get the impression that he is a man who knows where he is going. The sort of person who would plan out a campaign and see it through, as is the case with his motor cycle racing. He has set out to do well in the 750 Open and 750 Production Championships of this year's British Motor Cycle

Racing Club events, and sure enough he is leading both categories. If you have seen Neil out on the circuit this term you will have noticed his very distinctive and smooth style which he has developed.

Thirty one year-old Neil from Surbiton in Surrey runs his own business which fits car alarms and sunroofs. He is one of those riders who used to ride on the road for pleasure, but now feels much more at ease circuit racing! He manages to fit in all his own maintenance on the 750 Yamaha which he keeps in immaculate order. He says he does not trust anyone else to do the spanner work except a couple of close friends. In only his second year of racing he gets a lot of encourage-

ment from his circle of friends. "They give me the push I need occasionally," he says.

Neil is hoping to try and get some experience at National level during the next 12 months. Look out for him today though, he should do well as usual.

A family affair

TAKE A LOOK in the Paddock area of any Bemsee meeting at Brands Hatch or at Snetterton, and you will see that many of the riders bring not only their bikes, but they bring the whole family with them as well. Mark Ebbage from Crowthorne in Berkshire is one such rider. Even though his wife is currently expecting a baby, she still comes along to support Mark in his racing career. "My family have even been with me to a Boxing Day road race meeting at Mallory Park and this proves the family aspect to my racing."

Mark is 32 years-old and is a technical training instructor for BMW, and is currently leading the 600 Production Championship. "I am afraid that with my wife expecting the baby the racing effort may have to be cut back a little in the future," he said.

Mark has done a little trial riding in years gone by, but says he prefers to stick to the tarmac. Jet skiing is another hobby he finds exciting. Mark gets help from Castrol with oil, and his parents loan him a van for transport to and from the events. He takes a mature approach to his racing and can be relied upon to put in a consistent yet exciting performance at all meetings he attends. He enjoys his racing and this alone can be classed as success.

Comfortable leader

AT 23 YEARS-OLD, Martyn Libretto has certainly made an impact on this year's Bemsee meetings. This young man has taken the 350 Production class by storm and currently holds a very comfortable lead in the Bemsee championship points. He has had just over a year of experience and like many riders he has suffered his setbacks, but this season it has all come right for him.

On the circuit Martyn has got a tremendous will to be at the front and it's this determined style that will take him far. In fact, he has produced enough good results now to get him into national racing and he has just purchased

a 600 FZR Yamaha with which he hopes to break into this arena in the near future. When he gets there, remember, you saw him here with Bemsee first. He lives in Croydon and is a despatch rider during the week.
