Public Warning

Motor cycle racing is dangerous and persons attending the meeting do so at their own risk.
It is a condition of admission that all persons having any connection with the promotion and/or organisation and/or conduct of the meeting, including the owners of the land, and the drivers and owners of the vehicles, are absolved from all liability arising out of accidents, howsoever caused, resulting in damage and/or personal injury to spectators, pass and ticket holders, or to their goods or vehicles.

Programme and Copyright

The promoters reserve the right to amend or cancel the programme without notice or refund. All literary matter in this programme, including the list of competitors and their racing numbers, is copyright, and any person found making illegal use thereof will be prosecuted. Although every endeavour is made to avoid inaccuracies in the description of competing motorcycles, the Club accepts no responsibility for any that may occur.
It is a condition of admission to these premises that photography, cine-film, video film, sound or any other visual or audio recording or reproduction of the events or any part or parts of them for any (non-private) use including making copies of the recording/reproduction causing or permitting it to be seen or heard in public, broadcasting, diffusing, selling, renting, exchanging, lending, using for gain or otherwise dealing with it in whole or in part is strictly prohibited. Furthermore, Brands Hatch Circuit Limited reserves the right to confiscate and retain possession of any photographs or films made in breach of this condition and without its express consent in writing.

Special Notice

RIDING BY UNAUTHORISED PERSONS AT EVENTS HELD ON PRIVATE LAND

The attention of all persons is drawn to the riding by unauthorised persons and particularly of young persons in the Paddock, Spectator Areas, or anywhere else in the Circuit grounds.

You are warned that in the event of an accident, and a number of such accidents have occurred, the person concerned, persons permitting the offence as well as the organisers of the meeting might be joined in subsequent proceedings and be liable to pay damages of many thousands of pounds.

Whilst you might be prepared to take the risk of heavy damages being awarded against you, the Club and Officials are not. We hope you will understand this, and not get annoyed if you as an offender are stopped.

Spectator Notice

Please do not leave litter about the grounds – take it with you. Remember to drive with care and caution when leaving the grounds. To safeguard both competitors and public – **animals are not admitted. This is most important.**

Prohibited Area Notices: The public are not permitted in the areas where these notices are displayed. The fences are there for protection, and any person or persons found trespassing or wilfully damaging trees, fences, etc. will be prosecuted.

The Promoters reserve the right without notice to make any alteration to the race programme.

Police Enquiry Office

The above is situated at the rear of the Main Grandstand building and is signposted 'Police Enquiries'. All enquiries relating to property lost or found, children lost or found wandering, theft from cars or other signs of tampering, emergency messages for spectators and other serious problems relating to persons or property should be directed to this office. This applies only to major meetings.

May we ask spectators, officials and competitors whenever possible to approach and leave the circuit by way of the A20, M25 and not drive through Fawkham Village. Thank you for your cooperation.

GETTING TO GRIPS WITH THE RIGHT TYRE.

TREAD PATTERNS

Why is the appearance of modern tread patterns changing to the semi-slick look?

One of the main reasons is that rubber compound development has lessened the need for sipes within the tread pattern.

These were the small cuts in the tyre tread that helped water dispersal but which created movement within the pattern, thereby increasing the temperature and causing the tyre to wear more quickly.

The new combination of high-tech construction and modern compounds, as used on the Pirelli Phantom Sportscomp, for example, now permit sustained high speeds with improved cornering and straight-line stability while using a semi-slick tread pattern.

The enlarged footprint of these modern tyres also increases stability under braking and helps the high performance machines transmit more of their power to the road.

The Parable of the Ten Bikers

There were ten bikers of which five were most foolish and five were most wise. The five foolish bikers sought not a mechanical breakdown insurance policy when purchasing their bikes but, merely the cheapest price thus not calculating a) The cost of inconvenience and b) The cost of parts and labour in the event that their bikes breaketh down.
Henceforth they became known as the unenlightened.

However the remaining five bikers purchased with their bikes a mechanical breakdown insurance policy thereby reducing any inconvenience and saving huge sums of money on repairs.

Henceforth they became known as the wise bikers.

Verily i say unto you all:–
Don't hike it - bike it.

Insist on a 12 month Wise Biker warranty, Britain's No.1 for Street Wise Bikers make sure you get it!

CHAMPION OF BRANDS MOTOR CYCLE SERIES

This is the fourth year of Brands Hatch Circuits Ltd's popular one circuit series to find the 'Champion of Brands' which boasts an end of season prize fund of £1,500. Of that, the winner takes £750, with the runner-up collecting £400 and the third place man taking £200, fourth and fifth place men collect £100 and £50 respectively.

The series is aimed at the less well established road racers with limited funds so that they can gain valuable racing experience. Any solo machine of between 126-1300cc is eligible to compete.

Points are scored 10-9-8-7-6-5-4-3-2-1 to the first 10 finishers in each round. Riders can count all their scores from the 17 rounds. On each of 2 events — one organised by KRC and one by BMCRC — (dates to be decided) double points will be awarded.

Championship dates: March 7, March 22, April 4, April 25, May 2, May 16, May 24, May 30, June 20, June 21, June 27, July 18, August 1, September 5, September 12, September 19, October 24.
