THE DAY I GREPT INTO THE KREMLIN...

BY "RED BOB"

Dear Mum,

Wot you sayd wud happen did and 'ere I ham inside a gain. I fought it wud be arl right seeing as wot I was just walking around but like wot you sayd, the Rushuns haint got no sense of humour.

Wen I sayd wot I was doin in the Kremlin they jus larfed—har har—very sinister and frew me into jug. I wudn't hav minded that but they have forgot to drain it first and it is very wet—which accounts for the stayt of this paper wot is all squodgy.

Like wot they taught me in trayning I am being very unhelpful orl the time. Aye jus gave them me name hand address and wot else they arsked I didn't say.

Yesterday I frew my food at them and said in a very hard voice—if yew carnt not do better than that I dew not wont it and orl that. I bet they was surprised cus later the commissioner bloke cum darn and pled wiv me haygain.

Aye am determined to keep orl the secrets wot I was tort in England by M.I.5 about Moly slip even if they make me eat their rotten grub (which cum to fink of it, tastes a bit like Moly slip).

I ham planning a spektakular hescape tonite wiv a file wot I hav made art of a bit of twisted 'orse 'air. I ave not bin doing noffin for the parst few years—little do they know wot I ave been abart. I ave cut frew the iron bars wot is just by my bed and tonite I am going to climb out.

Dear Mum, I ave changed my mind. I got outside the bars and found that the gurgling parst my bed was not the gard snoring. It is the Moscow main sewer and it is much better back in ere. Aye will ave to fink of anover way art.

They keep arsking me abart Molybdenum Disulphide but I ave kept me marf buttoned up and I am not talkin. They seem to ave a fink abart this stuff wot they say is top secret. Apparently Rushun spys don't not ave it in their motorbike hengins like wot hevery hintelligence ajunt dus in England. Hanyway I am not tellin them hanythink.

Hit is very hard like writin hin the dark. They have got me very cunfused by turning the light off hin the daytime hand on at nite time. This makes hit very diffikult for me to sleep wen the lite his hon and hard to rite and reed in the dark—but I will persevveer.

Them impersonashun courses wot I had in trayning aint not good and you can tell M.I.5 from me. Not no-one was fooled wen I walked in and sayd I wos Krushev. They jus gave that sinister Rushun larf again—har, har—It give me the creeps I tell you.

You wud fink that wot their spys wud find out abart Moly slip for themselves or at least buy a tin from Halfordsvitch. I fink they wunt it for oiling sputniks. They ave ad my bike to bits scraping it off orl the parts—wot a larf, yew carnt shift that stuff wiv a chissel.

Yore ever luving boy

Bob.
