COVER PHOTOGRAPH

Surely one of the main attractions at today's meeting will be Italian World Champion Giacomo Agostini astride his MV. Watch out today for his expected exciting duel with England's Mike Hailwood. (Photograph by Ronald Hunt)

For the Attention of Spectators

Please do not leave litter about the grounds — take it with you.

The Brands Racing Committee acknowledge with thanks the valuable assistance given by the individual marshals in conducting this event.

If an accident occurs, leave it to the marshals, the doctor and St. John Ambulance men who are in attendance.

Remember to drive with care and caution when leaving the ground.

To safeguard both competitors and public — **dogs are not admitted unless kept on a leash. This is most important.**

Prohibited Area Notices : The public are not admitted in the areas where these notices are displayed. The fences are there for protection, and any person or persons found trespassing, or wilfully damaging trees, fences, etc., will be prosecuted by Brands Hatch Circuit Ltd.

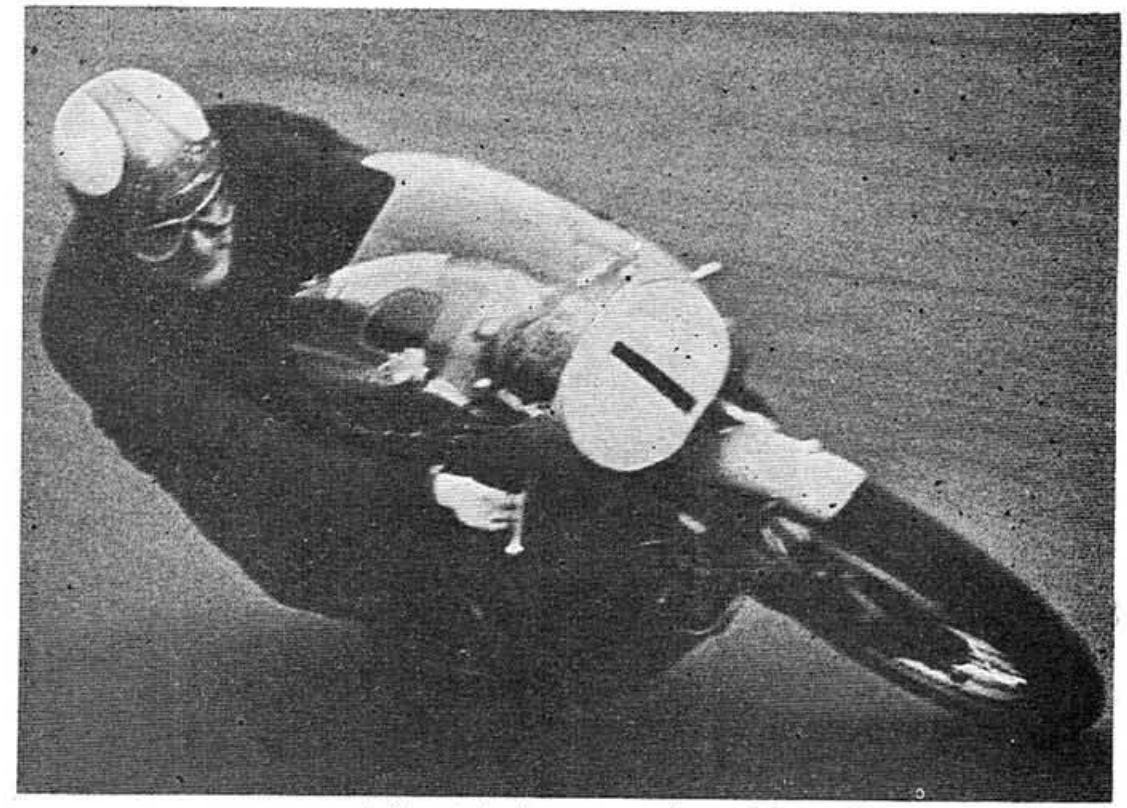
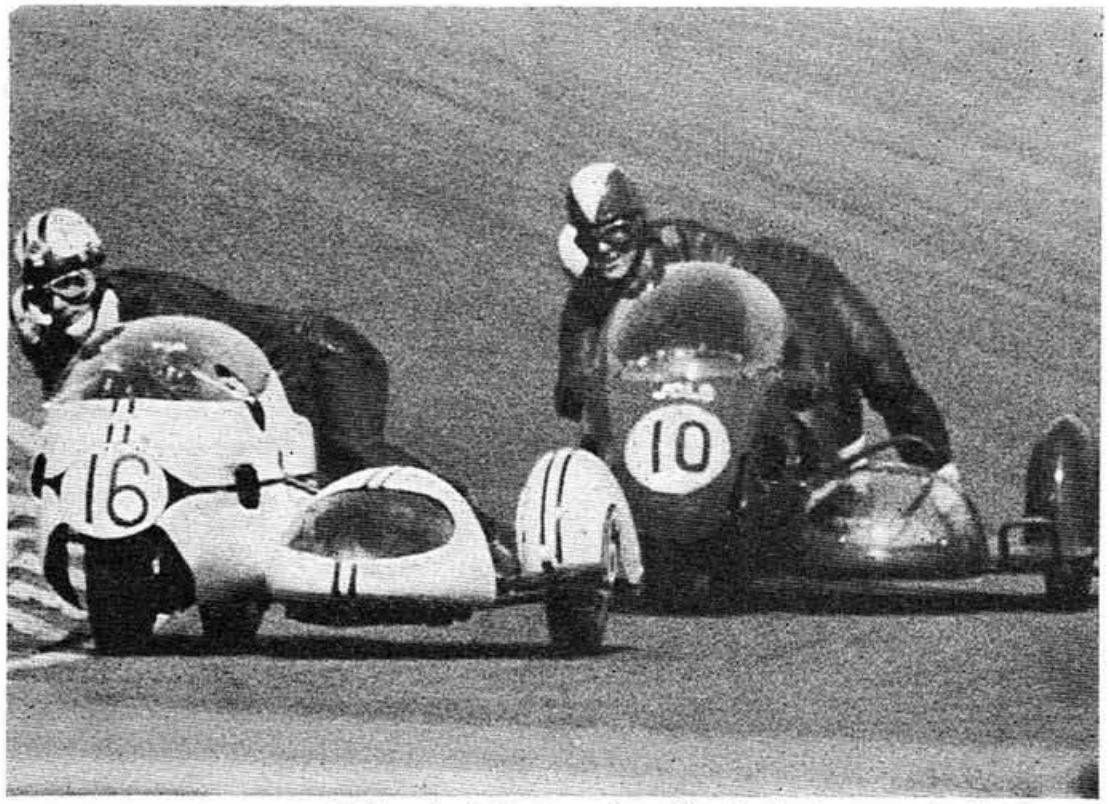
EVENING NEWS
International Motor Cycle Races of the South
SUNDAY, OCTOBER 6, 1968

Giacomo Agostini is seen savouring the sweet taste of success at Mallory Park. Or could he be trying to read the outcome of today's big races?



A fine study in concentration — Master-rider Mike Hailwood at a Mallory Park meeting.

A familiar, yet always thrilling moment — Mike Hailwood (No. 1) at the start of a big race.



Left — A. J. Sansum from Romford who competes in the Threewheeler Race of the South, is seen holding off J. S. Brandon, also on a Triumph.

G. W. Sharp, who comes from Edgware, Middlesex, is riding a 650 Triumph in the Evening News International Solo Race of the South.

Popular driver Bill Ivy from Maidstone, on a 250 Yamaha, is out to be the first " past the post " in the Solo Race of the South.

Seen at speed is B. W Lock (Isle of Grain), one of the very experienced drivers competing in the Threewheeler Race of the South.

The Brands Hatch Benevolent Fund.

The Benevolent Fund exists for the benefit of any rider who is injured whilst competing at this circuit and because of this, finds himself (or his dependents), in financial difficulties. It also serves to augment a rider's existing compulsory personal accident insurance. In fact, during the past five years we have been able to make grants totalling almost £1,000 from this fund.

This year, in aid of the Fund, we are once again requesting your financial support and collecting boxes will be circulated among you during the afternoon. It is three years since a collection was last made amongst the public and we hope that the donations you make this afternoon for this fund will enable us to continue our help to those riders in need. Please be assured that your generosity will be appreciated by all concerned.

THE BRANDS RACING COMMITTEE.

CASTROL CHALLENGE FINAL ROUND

Kel Carruthers, with 42 points, cannot now be beaten in the 1968 Castrol Challenge series of 350 cc races, nor is Mike Hailwood, who has 32 points, approachable in second place.

Interest in today's final event centres therefore on the battle for 3rd to 6th spots. Current 3rd place man Barry Randle has 12 points; Martin Carney and Tony Rutter 10 apiece and John Cooper 9. Close on their heels is Dave Simmonds with 7 and no less than 4 other riders with 6 apiece.

Since a win in the Castrol Challenge event nets the rider 8 points, a second place 6 points and a third place 4, competition in this last race of the series will be intense.

£1000 worth of prize money is allocated to the Castrol Challenge award winners, the first place rider holding the Castrol Trophy for a year, together with a replica and £500. The next five place men each get a replica and the prize money is £250 for the runner-up, £100 for third place and £75, £50 and £25 for fourth, fifth and sixth places.

Built for the champion in you

STANDARD "HAILWOOD" UNLINED BOOT

Rain, petrol, oil, paraffin, hard wear, punishing starts—this is the boot that shrugs them all off . . . is *really* designed and built to stay the course. Extra long (16½"), the "Hailwood" is cut from heavyweight English tanned fully chromed hide and fitted with heavy duty rustless zip fastener, ankle strap and buckle adjustment. Special attention has been paid to the sole and heel which are of "KRYNAC" Nitrile compound—longlasting and resistant to heat and any fluid you're likely to encounter. Waist of the right boot is fitted with "welded in" cast steel patented kick start plate. Uppers are stitched throughout with "Terylene" heavy duty rot and corrosion resistant threads. One final point for extra comfort is that the dressed kip leather lined foot area is treated with an anti-perspirant.
