WARNING
MOTOR RACING IS DANGEROUS

You are present at this meeting entirely at your own risk and the ticket of admission is issued subject to the condition that all persons having any connection with the promotion and/or organising and/or conduct of the meeting including the owners of the land or drivers and owners of the vehicles and passengers on the vehicles are absolved from all liability in respect of personal injury (whether fatal or otherwise) to you or damage to your property howsoever caused.

THE TRACK IS WELL ROPED FOR YOUR OWN SAFETY. PLEASE KEEP OUTSIDE THE ROPE.

NOTICE TO ALL COMPETITORS

The South Midland Centre Competition Committee requests the co-operation of all competitors in avoiding the village of Ashendon to and from Brill course. After a sad tragedy in the village last year involving a little girl and a motor cycle, a voluntary ban would be most appreciated by the Club.

The last meeting on this course for this season will be The "Wipac" Moto Cross held on August 30th sponsored by Messers Wipac (Buckingham) Ltd.

ACKNOWLEDGEMENTS

The Club would like to thank the following people without whose help and co-operation to-day's event would not have been possible.

Messers Griffiths and Rose for the use of their land.

High Performance?

High performance doesn't mean just spe-e-e-d. G.T.X. means better performance all round. Lower oil consumption: High oil pressure. Special goodies to mop up corrosion acids. Even Castrol has never offered an oil this fantastic before. It has to satisfy the toughest customers on the road—the enthusiasts.
