Championship Classes

The Championship Classes for next year are,

125cc Championship (125cc 2-strokes and 250cc 4-strokes)

Open Championship (Over 126cc 2-stroke and over 290cc 4-stroke)

The entry fee of the Championships has been set at £30 for every round, this fee will have to be paid up front by all riders, this is to hopefully try and raise the quality of the Championships even higher from the excellent standard set throughout 2003, this increase also ensures that transponders will be in use at all rounds in 2004, both Classes will again be held over 6 rounds

Sidecars

The Sidecar Championship will be held over 7 or 8 rounds in 2004, with all drivers paying an entry of £30 up front for the Championship, this increase is to hopefully try and raise the standard of the Sidecar Championship.

Clubman Series

A new series for Clubman riders over 30 will be held next year replacing the 4-Stroke and Vets Series,

Regional

The first stage of the Series will be split into 4 regions, each region having two rounds, with the top 15/18 riders in each region moving into the Semi Finals.

Semi Finals

The Semi Finals will be held over 2 rounds with the top 15/18 riders out of each Semi going into the Final.

Finals

The Series will culminate in a two round final with both rounds counting towards the Series winner.

One-Day Licences

All Motocross riders wishing to apply for a One Day Licence will have to apply through the office in 2004 for all groups, the deadline for the application being in the office is 2:00pm the Wednesday before the event. One-Day Licences are not available for every event, some clubs and groups may not wish to take any.

Licences per Club

The maximum number of licence holder per club for 2004 is 60, clubs who had over 60 licence holders from 2003 will be allowed to let their riders renew their licences although they will not be allowed to issue new members licences until they have fallen within the 60 limit.

Wild Cards

It was agreed at the Motocross Committee Meeting on the 3rd January that the system of "Wild Cards" that was passed at the AGM should be introduced as Trial Period in the South West, the rule was passed that a rider has the opportunity to select three times where they want to ride to account for holiday's etc. The opportunity to do this has to be earned, it will be based on how many times a rider has ridden in 2003.

Noise

Following noise problems throughout 2003 which have endangered the use of many tracks the Motocross Committee have decide to lower the limit from 102dB to 100dB for 2004, with a view to lowering it again to 98dB in 2005.

Chief Marshals

At the Motocross committee meeting after a discussion raised some insurance concerns a decision was made not to allow the Chief Marshal to ride at events.
