OFFICIAL PROGRAMME 5/-

FOREWORD

By R. A. Garrett,
Chairman John Player & Sons

After the disappointments caused by the cancellation of the "Players No. 6" Motocross Winternationals, due to the serious epidemic of foot and mouth disease that swept many of the areas in which events were due to take place, I am delighted that the A.C.U. have invited "Players No. 6" to sponsor the British Motocross Championships.

This year we are indeed maintaining our policy "to be where the action is". We are involving ourselves not only in the most thrilling of spectacles — Motocross; but are supporting many other fields of sporting activity including the "Players No. 6" National Autocross Championship; Professional Cycle Racing in the "Tour of the West" and "The Players No. 6" Motor Cycle Road Racing Championship. In addition to this comprehensive range of activities the "Players No. 6" Hovercraft will be appearing throughout the length and breadth of the country.

I understand the courses chosen by the

clubs organising the qualifying events in the "Players No. 6" British Motocross Championships offer a genuine challenge to the tenacity and toughness of riders and machines.

Apart from the sporting aspects of motocross, manufacturers see at firsthand how machines stand up to the hammering they receive on the course. Practical research of this kind enables them further to improve production models and leads to higher standards of performance, safety and road worthiness.

A word of caution, I would ask those spectators attending this event to remember that public road conditions are rather different from course conditions and to drive with care and consideration for others when returning home, — and indeed, at all times.

If you wish to demonstrate your skill — the answer is to join a club affiliated to the A.C.U. and compete in events such as you are seeing today.

MOTOCROSS

MOTOCROSS

The "Players No. 6" British Motocross Championships comprise two classes — up to 250 c.c. and up to 500 c.c. Riders scoring points in each of the classes at five different events throughout the season. The champion in each class will be awarded not only prize money but a superb "Players No. 6" Trophy which he will win outright. This series of ten events, taking place on some of the toughest and most demanding courses in the country, will attract the cream of British Motocross competitors.

These Championships have been held for many years under different titles; a background synopsis of the history of the Championships along with a list of previous winners appears on the Inside Back Cover of this programme.

Classes: The "Players No. 6" British Motocross Championships will be contested by riders in two classes:

Class 1. Solo machines up to 250 c.c.
Class 2. Solo machines from 320 c.c. to 500 c.c.

Points: Every rider in the Qualifying Rounds will score points as follows:

1st	8	2nd	6	3rd	4
4th	3	5th	2	6th	1

Duration of races: A signal will be exhibited when the race leader crosses the finishing line having completed thirty minutes, he and other riders are then given the 'plus two laps' signal board.

PRIZES AND TROPHIES PRESENTED BY PLAYER'S NO. 6

Prizes, in each Class for each race:

1st place.....£30	6th place.....£5
2nd place.....£20	7th place.....£4
3rd place.....£15	8th place.....£3
4th place.....£10	9th place.....£2
5th place.....£7	10th place.....£1

In addition to the prize money the overall winner of each meeting, on a points basis, will receive a Players No. 6 Trophy. The overall Champion in each class at the end of the series will receive £50 and the Players No. 6 British Motocross Championship Trophy. This cup will be won outright.

These Championships were instituted in 1951 for the up to 500 c.c. class and 1960 for the 250 c.c. class. Many famous names in the world of scrambling have featured in the awards list; most notable being Jeff Smith who has won the 500 c.c. class on no fewer than nine occasions. Of these six were in the consecutive years 1960-65.

In previous years the Championships have gone under the title of the "A.C.U. Scrambles Drivers Stars" and more recently "British Scramble Drivers Championships". For 1968 the title has been up-dated to include the internationally accepted description of the Sport 'Motocross'.

This year is the first time that the Championships have been sponsored and Players No. 6 are pleased to be associated with this, the premier Motocross Championship of the country.
