Arthur Lampkin in action on the 250 BSA Scrambles Special

With the new B.S.A. 250 Star Scrambles Special you're ready to go in and win! Here's the *proved* reliability of the 250 Star with the high-efficiency modifications experience has shown to be just right for the most gruelling tests.

Compression ratio 10:1, roller-bearing big end, specially chosen gear ratios (with alternatives avail-

able), 7" front brake, direct ignition with improved output and automatic advance/retard range, fully damped suspension, braced handlebars, alloy tank and mudguards, upswept exhaust, crankcase shield, high ground clearance—you get all this and more in the 250 Star.

Send for full details of this ready-to-go model.
