IT STOPPED BEING FAIR
A LONG TIME AGO.
NOW WE'RE
JUST RUBBING
IT IN.

As reigning World 250cc Champions, you know we've got the winning bikes, but it's free membership of TEAM GREEN CLUB '96* that gives you the winning edge.

Why? Because we look after your bike with a unique six months warranty, supply a parts kit** and provide mechanic training courses.

To help you ride faster, we arrange suspension and machine set-up days, a race preparation manual and give special rates for our Training Schools. Discount vouchers from participating Team Green sponsors save money, our Certificate of Registration helps beat theft. For advice, call our Technical Hotline.

Schoolboy rider, GP contender or enduro racer - we have the machine. The KX125 and 250 models are further improved for '96, while the KX500 caters for the Unlimited class. Youngsters start racing on the KX60, then progress via the KX80 and KX100, convertible to a 'Big Wheel 80'. For enduro, the KDX200 is easy to ride, yet quick enough to win.

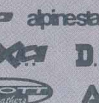

Both of us know Team Green is the best, that's why we're rubbing it in!

YZ250

CONSIDER THIS

In 1995 the Yamaha YZ250 was voted 'Bike of the Year' by *Motocross Action* magazine. Team Yamaha's Yves Demaria looked set to be one of the favourites for the World 250cc Championship until injury cut his season short.

The YZ125 won the Motocross shootout in America's *Cycle News*. And over 20,000 people watched Paul Malin blitz the British 125 Grand Prix on his Team Mobil Yamaha.

Enough to keep some manufacturers happy.

But not Yamaha.

Mobil
Yamaha use and recommend Mobil oils

So for the '96 season we've designed an all-new low centre of gravity short wheelbase chassis for the YZ250 and YZ125. Fitted both models with larger diameter 46mm forks. And developed a totally new lightweight works type Monocross rear end.

YZ250 power is up thanks to revised porting, reshaped YPVS and a new PWM carburettor. While to give our Grand Prix winning YZ125 even

YZ80LW

sharper performance we've fitted a new cylinder and resin reeds.

With all-new blue bodywork and white frames the whole YZ line up from 80cc to 250cc and the latest WR250 get treated to a hard-hitting factory look.

And with the launch of the all-new TT250R 4-stroke Enduro bike the range is even wider for the new season.

So if you're not winning in '96 there's only one excuse.

You didn't get yourself a new Yamaha!
