**1970 BRITISH
MOTOCROSS
CHAMPIONSHIPS**

OFFICIAL PROGRAMME

Foreword by J.P. Shaw
Promotions Manager
John Player & Sons

Member of Imperial Tobacco Group Limited

'Player's No.6' have successfully sponsored the British Motocross Championships for the last two years and I am very pleased we are again to be associated with these events for 1970. It has always been our policy to be "where the action is" and we believe we are very much adding to this policy by associating ourselves with what can most certainly be regarded as one of the most thrilling spectacles in sport to-day.

The tremendous challenge offered by these championships is of great importance to the manufacturers of the machinery the competitors use, as the battering the bikes receive can be put to good use by their researches in produc-

ing even better machines in the future.

I am sure that you realise that a great many of the competitors you see performing so ably before you to-day, are already virtually household names, because of their many appearances on television during the winter season. It must be remembered that in this Player's event, the riders are fighting for the title of British Motocross Champion in their class.

A word for those who intend to ride home like the competitors — **please don't**. If you wish to show your skill, join a club affiliated to the A.C.U. and compete yourselves, but please, not on the open road.

MOTOCROSS

The "Player's No. 6" British Motocross Championships comprise two classes — up to 250 cc and up to 500 cc. Riders score points in each of the classes at five different events throughout the season. The champion in each class will be awarded not only prize money but a superb "Player's No.6" Trophy which he will win outright. This series of ten events, taking place on some of the toughest and most demanding courses in the country, will attract the cream of British Motocross competitors.

These Championships have been held for many years under different titles; a list of previous winners appears elsewhere in this programme.

Classes:

The "Player's No. 6" British Motocross Championships will be contested by riders in two classes:

Class 1. Solo machines up to 250 cc.

Class 2. Solo machines from 320 cc to 500 cc.

Points:

Every rider in the Qualifying Rounds will score points as follows:

1st	8	2nd	6	3rd	4
4th	3	5th	2	6th	1

Duration of races:

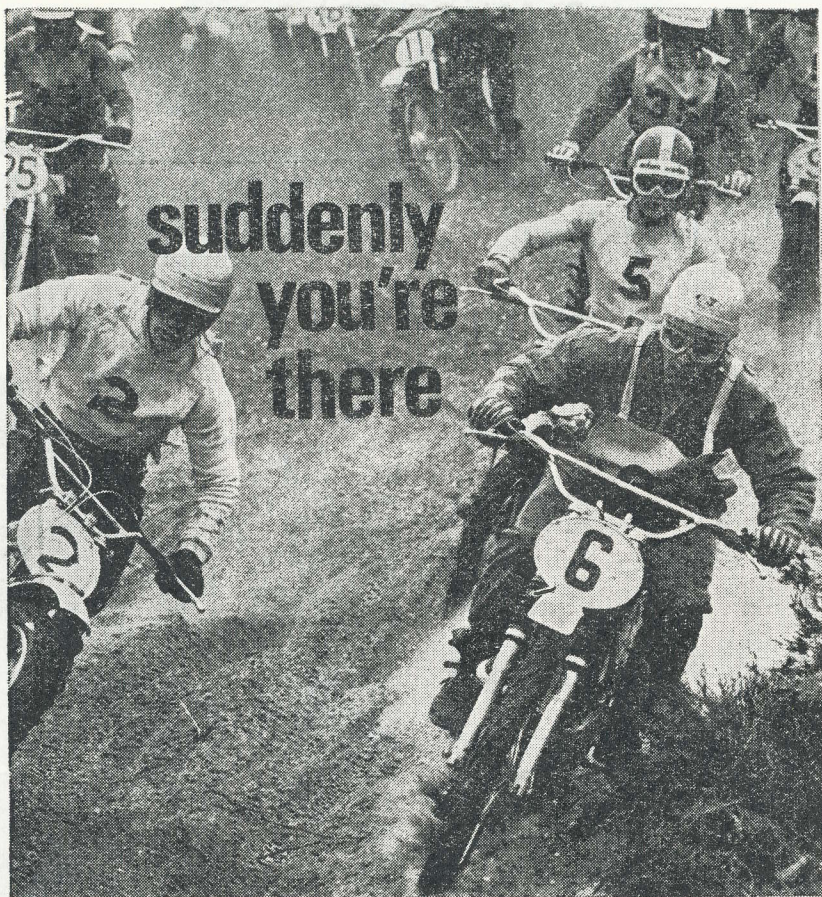

A signal will be exhibited when the race leader crosses the finishing line having completed thirty minutes, he and other riders are then given the "plus two laps" signal board.

Prizes, in each Class for each race:

In addition to the prize money the overall winner of each meeting, on a points basis, will receive a Player's No.6 Trophy. The overall Champion in each class at the end of the series will receive £50 and the Player's No.6 British Motocross Championship Trophy. This cup will be won outright.

Duckhams have your interests at heart. Progress in the design of the modern motorcycle is a continuous striving for perfection in improved performance and reliability. So too with Duckhams, who continually produce oils of improved performance in order to anticipate the changing requirements of engine design.

DUCKHAMS TWO-STROKE ENGINE OIL

An oil specially formulated to beat the problems inherent in two-stroke design - to give complete lubrication and protection to the modern high-performance engine.

DUCKHAMS Q20-50

Superior to normal oils because it has a viscosity adjusted to meet the varied lubricating requirements of the engine operating over a wide range of temperatures.
