Inside every issue you'll find all the information you'll ever need to know about riding and restoring classic motor cycles.

Expand your knowledge and follow the progress of motor cycle design with **The Classic Motor Cycle** magazine. Outstanding colour photography and rare archive material are combined with informed text and a clear picture of the failures and successes of a developing industry from the turn of the century to the sixties. How are they found and restored? What are they like to ride?

Get the answers from people who restore, ride and maintain the machines about which they write, in **The Classic Motor Cycle**.

VELOCETTE OWNERS CLUB DAY AT CADWELL PARK

Once again welcome to the Velocette Owners Club race meeting at Cadwell Park. You will see from our programme that there have been some changes this year with two high speed trials for the benefit of the road riders and a welcome return for the chairmen with two side car races, which should provide an interesting spectacle.

For the Velocette enthusiasts we once again welcome entrants to the E.A. Lavington Memorial Race, the winner receiving the Arthur Lavington Trophy, dedicated to the memory of this remarkable racing man, during his lifetime the hub of the Velocette Owners Club.

Unfortunately our usual paddock marshals, Paul and April Bolster, are unable to be with us today and we would like to take this opportunity of thanking them for their help and assistance in the past and look forward to their continued assistance in the future.

We apologise for the further increase in entry fees due to circumstances completely beyond our control. We appreciate the many dedicated entrants who have helped to fill our grids in spite of this. We hope that you all have a very enjoyable day out at Cadwell.

The Velocette Owners Club organises many social events throughout the year, mainly through the 22 British Isles centres, plus our overseas centres. Members receive copies of the club magazine "Fishtail" throughout the year detailing the club's activities and we also run a "Spare Scheme", the objective of which is to assist the owners of all Velocette models, old and not so old, to keep their machines on the road or race track.

For further information on membership of the Velocette Owners Club please contact:

Cadwell Park

This meeting is promoted by BRANDS HATCH DIVISION, BRANDS HATCH CIRCUITS LTD
Chief Executive: NICOLA FOULSTON Deputy Chief Executive: PAUL SMITH
Group Sales and Marketing Director: ALAN PRIEST
Circuit Manager: Andrew Curtis

The promoters reserve the right to amend or cancel the programme without notice or refund. All literary matter in this programme, including the list of competitors and their racing numbers, is copyright, and any person found making illegal use thereof will be prosecuted. Although every endeavour is made to avoid inaccuracies in the description of competing cars, the Club accepts no responsibility for any that may occur. It is a condition of admission to these premises that photography, cine-film, video film, sound, or any other visual or audio recording or reproduction of the events or any part or parts of them for any (non-private) use including making copies of the recording/reproduction causing it to be seen or heard in public, broadcasting, diffusing, selling, renting, exchanging, lending, using for gain or otherwise dealing with it in whole or in part is strictly prohibited. Furthermore, Brands Hatch Circuits Limited reserves the right to confiscate and retain possession of any photographs or films made in breach of this condition and without its express consent in writing.

MOTOR RACING IS DANGEROUS AND PERSONS ATTENDING THE MEETING DO SO AT THEIR OWN RISK.

Spectator Notices

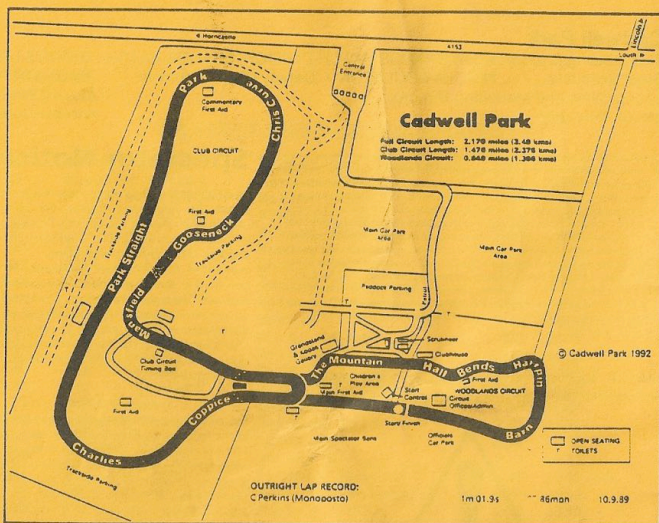

Please do not leave litter about the grounds — take it with you. Remember to drive with care and caution when leaving the grounds. To safeguard both competitors and public — animals are not admitted. This is most important. Prohibited Area Notices. The public are not permitted in the areas where these notices are displayed. The fences are there for protection and any person or persons found trespassing or wilfully damaging trees, fences, etc, will be prosecuted by Brands Hatch Circuits Ltd. The promoters reserve the right, without notice, to make any alteration in the race programme.

Enquiry Office

Enquiries relating to property lost or found, children lost or found wandering, theft from cars or other signs of tampering, emergency messages for spectators and any other serious problems relating to persons or property should be directed to the Cadwell Park Circuit office in the Paddock. A British Telecom telephone is situated at the Main Central Tower.

Flag Signals

Red: When shown at marshals' points around the circuit all riders must immediately cease racing and return with extreme caution to the start/finish line.
Yellow (motionless): Great danger in section of track ahead, slow down, proceed with caution.
Yellow (waved): Danger in section of track ahead: take care, no overtaking, maintain positions until clear of section displaying yellow flag.
Green: Course clear. Used on marshals' points to indicate their position to riders on first lap of all practice sessions. Also shown immediately after the post where a yellow flag has been shown to indicate circuit now clear ahead.
Black: accompanied by rider's number on separate board. That rider to stop in pits next time round. Always shown at start/finish line on special instruction from Clerk of the Course.
Yellow with Red Stripes: Oil flag. Displayed when oil has been dropped on the circuit in that section, displayed until the hazard has been dealt with. Also denotes slippery surface ahead.
White: Ambulance or course car on circuit.
Blue: Overtaking signal. The blue flag informs the rider that he is going to be overtaken by one or more faster motorcycles.
Yellow with black cross: Denotes start of last lap.
Black/White Chequered: Denotes finish of race, usually waved at the winner and held motionless until every other rider has passed.
N.B. Races at all Brands Hatch Circuits are started using a system of red and green lights.
