VELOCETTE OWNERS CLUB DAY AT CADWELL PARK

Once again welcome to the Velocette Owners Club race meeting at Cadwell Park. The Velocette Owners Club has been in existence for almost 30 years and we are pleased to present what is probably the largest assembly of racing Velocettes in the world on the grid today.

You will see from our programme that there are three high speed trials, mainly for the benefit of the road rider. These races give the opportunity of any rider on any capacity of machine to obtain an award.

For Velocette enthusiasts the best race of the day is surely the E.A. Lavington Memorial Race, with the winner awarded a trophy dedicated to the late Arthur Lavington, who was well-known for his racing exploits until his sad death during TT practice in 1969 at the age of 53.

We welcome the return of Dave Gladwell, our travelling marshal, joined again this year by Spencer Robinson riding the famous (or infamous) No.1 Venom.

We also make a special welcome to our only lady rider, number 76 Haureen Mycherley from Bradford.

The club's other activities are mainly social, organised through the 22 British Isles centres, plus our overseas centres. We aim to cater for the owners of all Velocette models, old and not so old, with the Club magazine "Fish-tail" sent to members throughout the year keeping them up to date with the various activities of the Club's life. There is also a Club "Spares Scheme" whose objective is to keep, along with the dealers (some of whom are supporting this meeting today), as many Velocettes as possible on the road or race track.
