## ***The Derby Phoenix M.C.C. Ltd. welcome you to Cadwell Park for the Second Round of the 1999 Club Championships***

This will be the Club's first of two visits to this picturesque and undulating venue set in the Lincolnshire Wolds and will be held on the 1.5 mile "Club" circuit.

The feature race will be the NEIL MILES SIDECAR HANDICAP which sees Open Class and Formula 2 Outfits competing on even terms. The race is in memory of Neil Miles, a popular and well-respected sidecar driver who lost his life in a racing accident at Cadwell 18 years ago. A good quality entry of some of the top clubmans teams is expected.

There is a full supporting programme of 20 races for all classes of solos plus rounds of the B.S.S.O. Championships for scooters.

At the end of the Programme there is a race for solos that is unique in British club racing. It is an Invitation Handicap solely for the members who attend the club's Monday night gatherings, with the winner being awarded the ANDY COOPER SHIELD in memory of the Derby Phoenix clubroom member and Manx Grand Prix Winner who was fatally injured whilst competing in the 1986 Senior T.T. Race

## **THE ANDY COOPER SHIELD RACE**

(A Handicap Race for Members who attend our  
Clubroom Meetings).

This race, which is unique in British Club Racing, is in memory of ANDY COOPER, a loyal and very popular Clubroom Member, who tragically lost his life whilst competing in the 1986 Senior TT Race on the Isle of Man. From a fund that was set up by his friends, an oak "Park Bench" style seat with a suitably engraved Plaque was purchased and erected at the Glen Helen which is near to the spot where Andy was fatally injured. As it is now maintained by the Manx Highways Board, it remains in perfect condition and is a fitting and permanent Memorial to a truly dedicated Sportsman.

**1998 Winner – TONY HART**

**THE NEIL MILES SIDECAR TROPHY  
 HANDICAP RACE**

Today's Feature Race will be the 17th Running of a Special Race in memory of NEIL MILES. Neil was a very popular and highly-respected Competitor who was fatally injured in a crash on the Hall Bends section of the Cadwell Full Circuit whilst competing in a National Sidecar Race. Neil enjoyed success at Sidecar Racing after several good seasons of Club Racing on a 750 c.c. Norton Solo. Driving B.S.A., Suzuki and Yamaha-powered outfits with wife Vivien as Passenger, he scored numerous victories at both Club and National level.

In 1995, we returned to the Race's Original Format and ran it as a Handicap after running it as a "Straight Race" for many years. In view of the different types of Machinery entered today, the race will again be run as a Handicap.

The Club would like to express its gratitude to Vivien and Paul Brown, Mrs. Nancy Miles (Neil's Mother), David and Robert Miles (Neil's Brothers), plus friends John & Jennifer Beniston, for their continued support of this Race.

**THE 1998 WINNERS WERE: GRAHAM BIRD/STEVE ANSLEY**

**THE SCRUTINEER'S AWARD**

In May, 1992, a new Award was introduced and was so well received it has become a regular Award at all our Meetings.

The criteria for THE SCRUTINEER'S AWARD is not just the best "turned out" machine (Solo or Sidecar) but one that also finishes its races. Our hard-working and knowledgeable Scrutineers, ably led by Paul Brown, have a vote during the day, with Paul presenting the deserving winner with the Award sometime during the afternoon. Paul says that in view of the very high standard of the bikes at our meetings (well done lads and lasses! - Sec.) their choice is now very difficult.
