**Welcome to the first Retford DMC meeting of 1997, and the first of our 50th Anniversary year events.**

We are starting the season with packed grids and a very well supported first round of the 1997 Retford DMC Championships. If this is an indication for the rest of the year you are all in for some hard fought and exciting racing, taking in Cadwell Park Full and Club circuits, Mallory Park and Darley Moor. A word of advice from the Race Secretary is to get your entries in early as she will not be phoning round to remind you for the next meeting.

Special thanks go to all who supported the Club last year at both race and social events, especially those who supported us at the Doncaster and Grimsby Bike Shows and to those who attended the dinner dance in February (those who bought a ticket and those who did not but still attended Reg Oates!). Also a warm welcome to those racing with us for the first time. On behalf of Retford DMC Limited I would like to thank all marshals and officials without whom the meeting would not take place.

We are very fortunate to have the support of local business providing special awards to some of today's events, adding to the special atmosphere that Retford DMC strive to achieve at all their race meetings.

A few individuals deserve a mention, Race Secretary Debbie Hannan, now in this role for the second year, has worked very hard to put the events together and will soon be seen in the paddock office wearing a "Carnell" jacket.

Ray Swannack who has had to bear an unbelievable chinese diet whilst sending his wide knowledge of running race meetings via a special satellite link from unknown chinese territory to Belle Vue, Doncaster. This exclusive link (called a FLAX) together with unknown hours of toil from Robin Capon made it possible to plan today's meeting and the meetings ahead. We are grateful to have Ray with us here today fresh off the slow boat.

I must also mention a special debut ..... The Honda NSV 500 twin GP bike, being raced by Stuart Sutherland for the first time ever at a club meeting. I remember seeing this machine launched to the media at the Dutch GP last year but never expected to see one at Cadwell Park never mind racing at a Retford DMC meeting!

I remember saying last year that the standard of machinery being raced at club level was ever improving, and the racing talent ever growing, it is great to see this trend continue. I hope everyone enjoys today's events and good luck to you all competing in 1997.
