FINAL ROUND

Today we see the 5th and final round of the British Scrambles Championship—an important event not only to decide the British Champion but also the 3 riders to form the British International team in next year's World 500 c.c. Moto-Cross rounds throughout European countries and beyond.

From the points list published in this programme it will be seen that Dave Bickers heads the list with 22, Vic Eastwood 18 and Jeff Smith 14. All 3 are anxious to compete in next year's World title events as are others with less points but still a chance, though slender, of reaching 3rd place.

Jeff Smith, (31 years old) 8 times winner of the A.C.U. Scrambles Star and 5 times leader of the British team in the Moto Cross de Nations, recently received wrist injuries which have prevented him from competing in a number of Scrambles and he is determined if at all possible to make a bid today.

Dave Bickers, (28 years old) leading in both 500 c.c. and 250 c.c British Championships, is equally determined to get his first 500 c.c. title, also the 250 c.c. title, which will be the first such double ever achieved.

Dave's previous achievements include 5 A.C.U. Scramble Stars and 2 European Championships in the 250 c.c. class, most of these on Greeves machines. He now rides the Czechoslovakian C.Z., a marque which Chris. Horsfield has just relinquished in favour of the new Greeves with which he will be competing for the first time today.

Vic Eastwood—24 years old—started Scrambling in 1958 on a Greeves, and, following in his father's footsteps, changed to a 500 c.c. Matchless, then to a Gold Star B.S.A. 4th in 1965 World Championship 500 c.c. Table.
