FOREWORD

by

M. W. VOWLES

President and Hon. Treasurer Wessex Centre A.-C.U.

ON behalf of the Wessex Centre Auto Cycle Union, I would like to welcome all patrons of our Castle Combe Meeting of 1954.

We have the usual large and high quality entry, and I hope you will see some good keen racing. We must thank the Bristol M.C. and L.C.C. for allowing us the use of the circuit, and also for the valued help given by many of its members.

Our only worry is finance, as although we have been lucky with the weather for the past two years, receipts have only just been sufficient to pay expenses, and we have no surplus in hand to provide for a rainy day. All Centre officials and members give their services free, and this meeting is run purely to encourage the sport.

Admission prices are lower than most similar events, and, in fact, if our new pre-booking scheme is used, there is no increase on last year, and we hope therefore for your full support.

May I finish by wishing a good day's sport to everyone.
