FOREWORD

by

V. C. ANSTICE

Vice-President and Vice-Chairman of the Auto-Cycle Union
and
President of the Wessex Centre A.C.U.

ON BEHALF of the Wessex Centre A.C.U.
I welcome all motorists, and particularly
motorcyclists, and their friends who are with us
to-day.

The entry list contains many well known names
and some keen racing should result. Our very
best thanks are due to the Bristol M.C. & L.C.C.
for their kind co-operation, and to all the helpers
who have spent many hours making the running
of the event possible.

To the entrants and drivers and all those who
have supported us, we wish a good afternoon's
sport.

Union Jack—Start
Red—Stop, all drivers
Black with driver's number—That driver to stop
Yellow—Danger, drive slowly
Green—Course clear
Yellow and Red stripes—Oil on course
Black and White chequered—Finish

Determination of Results: No driver will be allowed to start another lap after the first three leading drivers have crossed the finishing line. Thereafter every driver crossing the finishing line will be flagged off, and the position of these drivers determined according to the number of laps completed, and for those drivers completing the same number of laps, by the order in which they do so.
