Different bikes, fresh leathers, new faces - it's all change for '84 but what hasn't altered is our usual top quality line up for our first meeting of the year.

As with any new season there are some names missing from the programme and regretably club champion Les Burgan and Darrell Higgins (250 and 350 class champion) are both absent today. However, helping maintain the balance in an already star studded entry are former club champion Barry Seward, raring to go after a 'retirement' which lasted just one season and Welshman Keith Ferrell, the 1982 F1 and 1000 class champion who lost his sponsorship shortly after he had begun his 1983 F2 British Championship campaign.

Lets see then how the various classes shape up for what promises to be an explosive start to our club championship.

For sheer firepower the 500 class cannot be matched. Reigning 1000 cc Marlboro clubmans champion Steve Bateman heads the entry with what must surely be one of, if not the quickest bike here today, the Alpha Dorset sponsored ex Steve Henshaw Mk.7 RG500. On similar machines are "Dingbat" Mark Stone, George Hardwicke and Chippenhams Mike Nickless. With Yamaha hopefulls like Nick Lisowski also in the field this is a race not to be missed.

1982 250 champion Barry Seward tops the quarter litre entry with his now, Spondon Framed, Rotax. He faces a formidable list of runners including, Roy Kennedy, Manx 250 Newcomers Grand Prix victor Barrie Middleton, the vastly experienced Len Lambourne, and Stef Lisowski on Yamahas, with Keith Ferrell, who will no doubt adapt quickly to his newly acquired Harris Rotax.

Among the 350 entries are; fast starting Mark Galton having converted his ageing 250 to run in this class, Ian Lawton, and Chris Brenneck now armed with the ex Mark Ordidge Yamaha to replace his 5 year old TZ that took him to 6th in our club series last year and runner up spot in the Marlboro championship.

Our classic race continues to draw some of the leading exponents from both the Classic and Vintage club circles. Lining up alongside vintage club champion John Armstrong, who rides Andy Savages immaculate Manx Norton, are leading Kennings Classic competitor Dave Pither (Vendetta G50), Nick Payton (with a Velocette he also intends racing in the F2 event!) and Calnes Michael Gilder (Triumph 500). The entry as always is bulging especially with the 350 and 250's in the same race. In the 350 section look out for John Hammond, Aermacchi, and Honda mounted Steve Crawford, while the 250 battle intensifies as Bob Millinship and Michael Hunt are among the hordes who will be determined to topple 3 times overall champion Richard Perkins from the number one slot.

From old to new and the latest street bikes clash in the production events. The numerous orange jacketed newcomers will be easily picked out but there are also some experienced riders entered. Devizes' Steve Lake, last years 250 champion, Steve Polden and Jim Dicken are just a few names to conjure with in what promises to be two thrilling handlebar bashing scraps.

Introduced this year is our Formula 2 championship. Some interesting machinery in this one but none more so than Steve Colville's Yamaha YPVS powered Suzuki Gamma. It must be the first Gamma Special in existence but if recent tests at Hullavington are any indication it is going to be FAST! Also on the grid are Trowbridge's Doug Nash aboard his Mallory race winning 550 Yamaha of last season, Andy Bufton on a Binnion Suzuki, David Hardy - Kawasaki, and that Velocette of Nick Payton.

If that's not enough excitement for you so far there's a 1000 cc class, the Unlimited event, two fourstrokes only races - up to 500 and 501-1000 (featuring Gary Vardy, 738 Kawasaki and Dave Waring on the ex Malc Miles 1000 P & M Kawasaki in the big one), and a cracker of a 125/250 single cylinder race with Tom Hutton on a MBA 125, Ian Willetts (125 Yamaha) and Roger Kilbey on the 250 Can Am. Only the sidecar field looks a bit thin. At the time of writing only 12 outfits were on the programme but with Mick Burcombe, Martin Batt, Nick Prowse and Keith Larder among them there's bound to be action all the way from the three wheelers crowd.
