There's a lot goes into winning just one race; and even more to win a championship. But there's a lot gone into Honda's 2006 CR and CRF range, too. From the CR85Rs right up to Josh Coppins' mighty, British MX1 championship-winning CRF450R.

And of course, not forgetting the phenomenal, all-new, lighter, more powerful, dual-exhaust CRF250R.

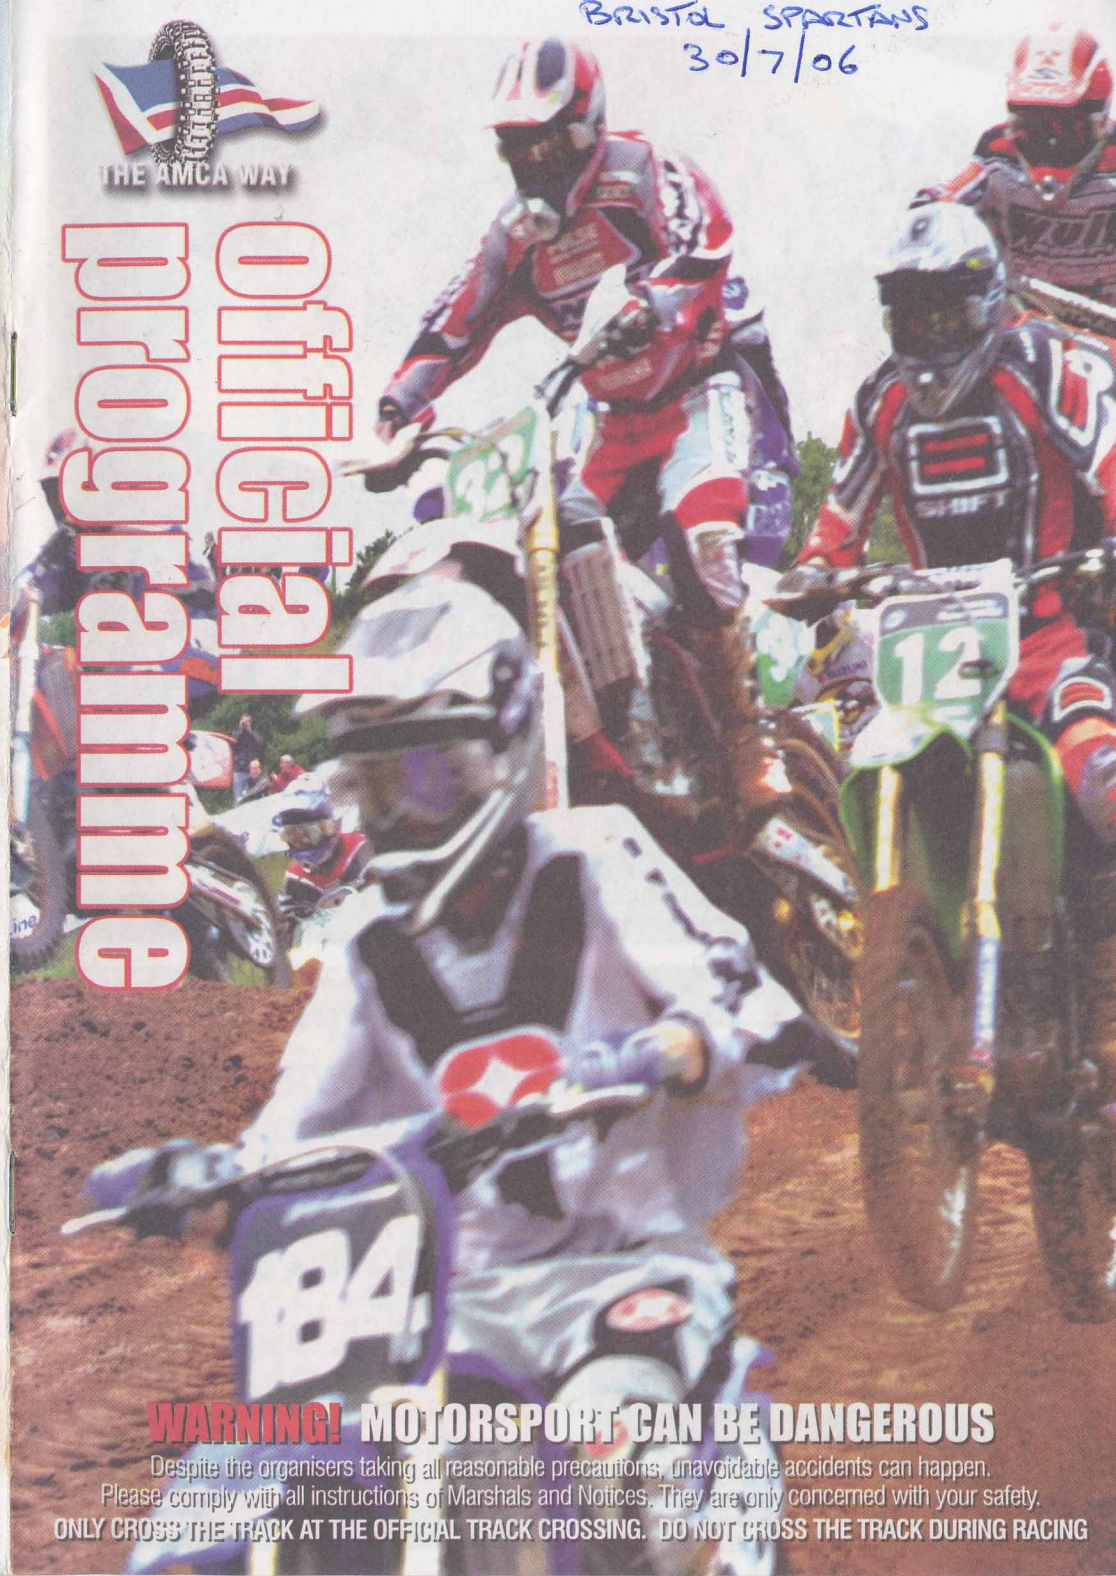

The great thing is, whether you're Josh Coppins or just starting, there's a Honda for all and everyone one of you.

NEWS - NEWS - NEWS - NEWS - NEWS

Border/West Midlands

Both groups of clubs combine on the 20th August with two Border clubs organising events- Worfield and Kinver, with Kinver running at a new circuit at Little Hereford so the West Group riders will not have a home group event and will be able to enter either of these two meetings.

IMBA 125cc

The Burntwood host the AMCA International at Branstons Circuit which must now be the AMCA's oldest circuit for the first time and will include one class for Juniors, Seniors and Experts plus a Sidecar Championship round. Preference will be given to Burntwood riders and the club will decide who else should fill the remaining places.

South Midlands

The Midland Social Club have cancelled their motocross which they had hoped to run on the 10th September at Foxwalks as most of their riders will be away at a Sidecar Championship round hosted by Macclesfield Club. They hope to run on the 5th November.

Championships

The AMCA Motocross Committee are meeting on Saturday the 12th August at the AMCA offices and on the agenda will be the Championship round held at Caister on the 16th July which was abandoned after one race. A decision by the committee which comprises of Group Co-ordinators plus one other invited person from each group will have to decide if that round should be replaced. One of the problems being that there are six IMBA rounds due in August and September as well as three AMCA rounds already scheduled.

Phone Calls

Would riders please note that phone calls to club officials prior to events should be restricted to the hours of 9.00am to 9.00pm. Some riders are calling very early asking such questions as how to find a venue whilst others call very late at night and this is unfair on the officials.

Fire Extinguishers

It is a rule, (see Page 21 of the Rule Book), that all riders vehicles in the paddock, even if they are cars, must carry a fire extinguisher. This is essential in view of the present weather conditions.

West Midlands

I am sorry to report that the Group Co-ordinator, Mike Penn, has broken his leg at the recent Wrekin Motocross and is at present managing to get around on crutches. Mike and the Wolverhampton and District Auto Club have a busy time coming up with the IMBA Open Class round at their circuit at Cleobury Mortimer in late August. Mick, the Club Chairman has received many kind offers of help from AMCA members and friends and many of the riders from the International team.

Masters Clash

The rearranged final round of the British Masters Series will be on the 19th/20th August at Pontrilas near Hereford, this is due to the Isle of Wight meeting having to be cancelled which was to be held on the Thursday and Friday the 17th and 18th August. This new date now clashes with the German round of the IMBA European Championship of the Open Class at Ohlenberg. Last year there was a similar clash and one or two riders had to decide which series to support. Due to there being so many Championships available to riders in the Masters Series, including the World British Youth, AMCA and IMBA it is practically impossible to ensure that there is not a clash of dates so some riders are faced with a difficult decision.

Following the German round there is of course the AMCA home round at Cleobury Mortimer on the 27th August.

Final Instructions for this Weekend

Riders should note that several clubs are not allowing camping and these include Preston, who insist that dogs must be kept on leads. West Lancs and Bristol Clubs both insist that there will be no camping allowed whilst Warsop need a telephone call if you wish to camp, contact Yvonne on 07790 739101 (not after 9.00pm). Brierley Hill will allow camping but will close the gates at 9.00pm and similar arrangements will be made at the Moseley Club event.

Czech Open Class IMBA European Championship Round held at Dalecin Richard-Mike Jones of the Chester Club holds second place in the IMBA Open Class Championship after Sunday's event where he finished third over all which included winning the last race. The meeting got off to a good start despite the dusty conditions which Phil Mercer of the Cheadle Club winning, second was Elliott Barrs from Dursley, third was Simon Lane from Upton Club, fifth was Charlie Hollis from Walsall and in eleventh place was Richard-Mike Jones. In the second race Charlie Hollis had to retire after coming off and injuring his ankle and Richard-Mike Jones went on to take third place with Phil Mercer fourth and Elliott Barr fifth. Phil Mercer may have won the third race but came off and had to retire and Richard-Mike Jones went on to win. Clinton Barrs came home in fifth place.

Despite watering throughout the day certain parts of the track were very dusty and these results now mean that Richard-Mike Jones is in second place, eleven points behind the leading German rider, Frank Jansen-Tete, with Elliott Barrs fourth, Simon Lane fifth, Phil Mercer seventh, Charlie Hollis tenth and Clinton Barrs is in 22nd place.

The next round is due to be held on the 20th August. Special thanks go to Lionel Beck who stepped in at the last minute to travel as the official when Steve Harvey was on duty with the transponders at a Fast Eddy event at Culham.
