## N.G.M.C.C. \*\* COLERNE \*\* SUNDAY 20th SEPTEMBER

The North Gloucestershire Motor Cycle Club 1992 championship series is now reaching boiling point, with just two rounds to go.

After this final Wiltshire meeting at Colerne there is just the October foray into Wales for the Pembrey Park meeting remaining. With so little time left points towards the various class championships are truly at a premium.

In the 250cc class Thatcham's Nigel Lambourne has closed to within 6 points of series leader Royston Keen. Keen, from Cirencester took 3 straight victories earlier this season, but pulled off at the last round on lap one with clutch trouble on the TZ 250 V-Twin Yamaha. Lambourne, aboard his Berkeley Prowse TZ is still searching for his first victory of the year but will have to overcome Keen as well as the rest of a very strong line up which includes Chippenham's Vince Nolan, Grove's Steve Clements and Melksham's Darrell Higgins, who has come to terms with his new TZ very well after some early season teething problems. Higgins took victory last time out at Keevil.

Chippenham's Mike Nickless must be wondering what he must do to get a change of luck in the 600cc class, after a winning start at Pembrey back in April his fortunes have changed dramatically. At Fairford he led into the last lap only to fall, and at the last round he was once again leading when the RG500 Suzuki gave up suffering an engine seizure, he is now 3 points behind Cullompton's Paul Barker and 5 points adrift of Hayle's David Butcher who missed the last round after suffering a broken wrist. Both Barker and Butcher use FZR 600 Yamaha's. Watch out too for Romsey's Jamie Gay, who competes in this the 600 class on a 400cc ZXR Kawasaki, he won last time out but could find his machine a little short of power on Colerne's awesome back straight, he will though make up ground on the brakes with the lighter machine.

The 750cc class has been thrown wide open because of the absence of Russell Benney. The stage is then set for Bromyard's John Schoenemann to grab the advantage in the class title chase. John, recently spent a small fortune on a whole host of "trick-bits" for his 750 ZXR Kawasaki, the parts which were unavailable in the UK has to be imported from Europe could give him the extra power he needs to keep ahead of the Suzuki's of Calne's John Zebedee and Bristol's Kevin Ford.

When the 1100cc machines come out on to the grid the growl of the big 4 cylinder, 4 stroke machines means that the lap speeds are about to rise. Colerne with its three quarter mile plus back straight gives the opportunity for these monster machine to be opened up and given their full head. The riders just have to hang on as speeds top 160mph before grabbing the breaks for the left hand kink at the old hairpin. Cirencester's Royston Keen, heads the championship, and the entry list, on the Willis builders 1100 Suzuki from Calne's John Zebedee this time out on the 1100 by just 3 points with Southampton's Nick Williamson, current 1300cc class title holder just one point further back. Marchwood's Chris Hook will be hoping to be back to full fitness after his lap one coming together with Robin May at Keevil. With all these riders plus the top men from the 750cc class out there the action is bound to be fast and furious.

In the 400 Supersport event it is more a case of looking down the entry list and try to spot someone who might be able to challenge Romsey's Jamie Gay on his ZXR 400 Kawasaki. Jamie, is now a massive 28 points clear at the top of the table, and looking good. The pursuers include hard charging novice, Daniel Roberts on his KR-1S Kawasaki and similarly mounted Robert Skiller from Gosport. The RGV Suzuki chase comes in the shape of Shane Selway and Richard Evans. The RGV marque is known to be a very quick motor cycle but Japanese rivals Kawasaki seem to have stolen all the glory this year, could this be the turning point?

The Single Cylinder class sees Stroud's Robert Price already crowned as class champion, but Robert who campaigns a 650cc Kawasaki will not sit back and rest on his laurels, he will want to stamp his authority on the season by going for another victory. Phil Daw, from Eastleigh is now putting together a good string of rides on his 750cc Tigcraft so could provide some stern opposition. The "Joker-in-the-pack" one could say will be Melksham's Darrell Higgins, who for the last 10 years has ridden 250 or 350cc two stroke pure racing machines will be making a very rare outing on a 600cc Honda four stroke single, it will be interesting to see how he adapts to very different machine characteristics.

Sidecar racing this year has been dominated by the Marlborough pairing of Roger Lovelock and Frazer Sutcliffe on their 997 Kawasaki outfit, with so far 4 victories from 5 starts. The one that got away was here at Colerne back in May when they were just beaten into second place by the now injured Mike Skidmore, Steve Allen partnership. Lovelock and Sutcliffe need just a 5th placing and the 6 points that go with it this weekend to be crowned 1992 Overall Club Champions, only the third time in 22 years that a sidecar has taken the title. Their main challengers include Jess Johnson and Paul Fessey along with Ray Phillpots and Steve Clements. Watch out too for top F2 pairing of Martin Waters and Tim Jarvis, current F2 champions they have got their hands on an ex-Ray Swann 600 Kawasaki motor which has been fitted into a new high-tech chassis. The "little" 600 put the wind up some of the big open class 1100's at Keevil last time out and the Redditch pair are the ones to get the most out of the new machine.

A slip up here with so little of the season left will prove vital, who will have the nerve to go for it to gain the upper hand before the Pembrey Park decider.
