Welcome to Berrynarbor Classic Scramble

A weekend we have all waited for, to be back at Sioley Park for our two day scramble. It's been a while since we were able to enjoy all that this track has to offer with its fast, challenging hill and technical off cambers. Not to mention the amazing views of the Devon countryside and coast.

The meeting will be run under current guidelines. As for Covid 19 many of you may still prefer to carry on with previous government guidelines, we ask you to respect others if they wish to wear masks and socially distance;

A big thank you to all the members and supporters for all their hard work making this meeting possible. Without their help we could not look forward to an exciting weekend racing for the riders and spectators.

For those who have come to spectate we offer you some of the best British machines of the 1960's all the way to the European and Japanese bikes of the 80's.

Age has no limits when the bike crackles into life, whatever their age and condition as soon as they hit the line they are back competing from the off. Scrambling is an individual sport but at its core it's a large family looking after each other which is why we all enjoy the sport so much.

We wish you all a safe weekend and are looking forward to some exciting action on track.

Please keep to the areas set out for spectators as your safety is our utmost concern, enjoy watching and the facilities we have provided. We ask that you respect our rules for your own safety and follow the designated paths, Please use the toilets provided and respect the local surroundings by taking your litter home and be mindful of others

Have a safe journey home.

Many Thanks
NDACMMC.
