34th EDITION - JUNE 1975.

Dear Members,

Just a short line this month, with Robert in hospital I spend all my spare time with him as he gets rather bored just lying in bed. However, the fracture is setting well and it is only a matter of time for it to heal.

With the sunshine it makes fast racing and the ground very hard, so when accidents happen they sometimes are worse than in wet conditions, so boys please do not ride beyond your capabilities, it may result in broken bones.

The Burton track was harder than usual but very successful, it was ridden very well by all groups. The Whitsun Trophy and the Sponsered meeting held at Foxhan was again both exciting and successful.

Thank you all very much for making it such a pleasant weekend, especially the boys and their sponsors. Congratulations to all riders who won trophies and the rest of you for trying.

I must just mention Chris Bryan, some of you will probably know he is one of our founder members and will have his last ride with us at Foxhan. Best of Luck Chris with the Senior Clubs.

Mums and Dads! Mr. Leyfield is running a Midsummer dance on 11th July 1975, with a top band and it's at the Neeld Hall, Chippenham. Make it a nice get together, we all enjoy a change from scrambling sometimes. Tickets are still available, but hurry or you may be too late.

Also, Mr. Mills has arranged a social evening complete with disco and organ, 27th June 1975, at the Viking Inn on the Bath-Warminster road. So please come, help to make it a success and thus show Mr. Mills how we all appreciate his work ferrying first aid and injured around the track. Thank you Mr. Mills.

I would like to thank everyone for the cards, letters etc. Robert has received, it all helps to keep him occupied. Thank you very much.

So, Happy Scrambling,

LEN SHEARS (Chairman).

BURTON - 11th MAY, 1975.

At last! Here we are, who would believe that this course had been waterlogged for months, the conditions were so dry and dusty and the racing fast. Looking at the results and starting with the Intermediates, we see three wins for Chris Salter and two for Eion Bailey, no surprise you will say, but look further, and you will find many new names to Full Chat and by the look of their performance today, they are names we shall be seeing again soon.

In the Experts class, visitor Adrian Tristran won three races and club member Nigel Fox won two.

It was Gary Hudson's day in the seniors, he too won three races, Paul Collins one, and Derek Mills the other. So to the Juniors, and there we see Timothy Wheeler won four races and Kenneth Nurden one. Great racing in every group and with the weather on our side a very enjoyable day.

SPRING BANK HOLIDAY WEEKEND. 25th-26th MAY 1975.

Back to Foxham, much dried out from our previous visit and except for that one hard shower, quite a good weekend. With quite a large number of campers, both Saturday and Sunday night, a nice friendly get together was the order of the day.

Whitsun Trophy Meeting. In the Juniors, Timmy Wheeler won every race. Congratulations Timmy, and congratulations to Chris Salter too, who won every intermediate race, but in the top two groups the honours changed many times with Keith Turner the overall winner of the seniors and Francis Parker the overall winner of the experts. Congratulations to Keith and Francis, it was well deserved. The Monday meeting had of course one purpose, to raise as much money as possible, and how you all must have worked, and indeed must still be working to collect the moneys.

SPRING BANK HOLIDAY WEEKEND, cont'd...

We congratulate Mark Rawlins (Experts), Andy Sugg (Seniors), John Hawkins (Intermediates) and David Purnell (Juniors), who each raised most money in their respective groups, but we must also congratulate all those boys who were so close.

Our own special "St. Johns" are very pleased with the result and the way you have all shown them your appreciation, they are a grand bunch and we trust that you will all collect your money as soon as possible, so that the ambulance can be purchased.

On behalf of C.S.S.C. and St. John's we thank Mr. Brian Toogood for donating the silver tankards. For this event, it was very generous and I feel sure one of the reasons this meeting was such a great success. Thank you Brian, the money when it is all collected in should be in excess of eight hundred pounds. There are of course, expenses to be met but I feel sure we shall be able to purchase a very good Ambulance (which we hope won't get too much work) thus helping St. John's to help us.

DONCOMBE - 8th JUNE 1975.

This really is one of my favourite courses, there always seems to be plenty of exciting racing and perhaps a few anxious moments too. This Sunday, the sun shone all day and many of us came home rather sizzled and sore, but we are not complaining, we have had our share of rain.

The excitement in the expert group caused by Nigel Fox and Chris Bryan was just great, the seniors too did not lack excitement. Was Keith Turner jet propelled, and where did he go in the points race? Paul Collins won that. Chris Salter won all the intermediate races, well done Chris. And as usual, those grand little boys in the juniors gave us great entertainment, Alan Rossiter won the first two races, and Kenneth Nurden won the last three. The results of the last four meetings were totted up and the following awards were made.

<u>Juniors.</u>	<u>Intermediates.</u>	<u>Seniors.</u>	<u>Experts.</u>
A.T.K.Trophy. Kenneth Nurden 127 pts.	A.T.K. Trophy. Chris Salter 132 pts.	A.T.K.Trophy. Paul Collins 116 pts.	Dave Tench Trophy. Nigel Fox 127 pts.

Congratulations lads, these trophies will be next awarded on 6th July at Bradenstoke.

Francis, or Jim as many of us know him, started scrambling at ten, after having spent seven years as a spectator at adult meetings.

It was on a 50 cc Honda specially built for him by ex-Road Racer, Fred Handy, that Jim made his debut. From that day, he has gradually climbed the ladder of successful schoolboy scrambling on a variety of machines. Honda 50, Honda 90, Hondaka 90, Kawasaki 90, 100 cc Rickman, 125 Suzuki, and his present mount, a 125 cc Yamaha.

His many successes is reflected in a sideboard full of trophies, which keeps Mum very busy, but also makes her feel very proud.

Dad (Reg to his friends) used to scramble himself at one time but gave it up when Jim began, (Mum says one scrambler in the family is quite enough) was able to give Jim plenty of help and advice, but still finds time to help with committee work, and is usually one of the scrutineers.

Mum (Barbara) is also very busy, selling raffle tickets week after week, takes her mind off the nerve racking antics of her only son.

Jim's sisters, Carol and Wendy are almost always in attendance, they too enjoy scrambling and are fans, not only of brother Jim, but many of our other riders.

Scrambling is not Jim's only hobby, he enjoys gardening and of course, GIRLS.

Although still at school, he leaves at the end of this term, I understand he has a job as a trainee landscape gardener. His ambition is to ride in adult scrambles, (but on account of his size I think he should carry his birth certificate) and to do well and we all wish him every success.

Jim asked me to say "Thanks to Mum, Dad and the Girls for all their help over the past six years, for always giving him the best of bikes and other gear and most of all for their support."

We wish you luck Jim, both with your scrambling and your new career.

Thank you all for all the cards and messages I have received since I broke my leg at West Mercia.

I am now feeling very much better but am bored with lying here. I think of you all every Sunday and wish I could be with you.

Dad fills me in with as much news as he can remember so that I can keep in touch with what is going on. So till I can get back with you all,

Ride Fast, but ride Safely,

Robert (No.5).

Thank you Robert for your letter, we all wish you a speedy recovery.

Now lads, how about dropping Robert a line and filling in the details his Dad was unable to remember.
