

MAGAZINE OF THE CORSHAM SCHOOLBOY SCRAMBLE CLUB

38th EDITION - OCTOBER, 1975.

Dear Members,

By the time you read this we shall be at our last meeting. Whether it has been a good season or a not so good, I hope you will all have enjoyed it, because ENJOYMENT is what it is all about. I know it's nice to see your son win, but the whole idea of schoolboy scrambling is to give our boys an interest, not only on Sundays, but evenings throughout the week, cleaning and maintaining the bikes and gear.

This season we have had many new tracks and have extended our old ones to accommodate the faster machines thus making the racing very exciting. With the weather being so dry the ground was very hard, and this brought a few serious accidents. I am glad to say all these lads are back racing and it seems none the worse for their experience.

Looking back over the year the B.S.M.A. rounds add a lot to the seasons excitement and did a lot to bring the riders from other clubs together and riding against the top riders of other clubs. I am pleased and proud to see how well C.S.S.C. riders did in these events and must congratulate those of you who will be collecting your trophy on 14th November at Yate.

The B.S.M.A. are holding their A.G.M. on 23rd November 1975, and it is hoped that at this meeting the rules will be adjusted just enough to make them acceptable to all the affiliated clubs, although the committee have kept a careful eye on the A.C.U. it would appear that they still have nothing to offer us, and we feel that in the interest of schoolboy scrambling we should continue our affiliation with the B.S.M.A.

We had a good days racing at Timsbury, not only did the farmer offer us the hospitality of his land, but fabulous farmhouse cooking was also available at very reasonable prices.

Burton again was a delightful day and a pleasure to watch the racing from the sunny bank across the track. The team event went off very well but darkness fell too early, however we had to cut the programme but we did get a fair result. Ringwood were the overall winners of three of the five groups and we send them our congratulations.

Congratulations are also in order for the Corsham seniors who put up a fine show and brought home the Senior Trophy. To

the lads who rode in the other groups thank you for trying, we only needed another 16 points, so we will try again next year.

After a long and exhausting search we have at last found a hall for the 1975 party. The Civic Hall at Trowbridge has been booked and the Ring of Bright Water band will supply the music. Kevin (Ex No.65) Denman will be there with his drums so we are all set for a good time. Tickets will be available shortly, riding members tickets will be available free of charge, everyone else £1 including refreshments. One word of warning, last year we had a bill from the Neald Hall for damage to the cloakrooms etc. This must not happen again. Any person found damaging or defacing, or if there is any improper behaviour, will be ejected from the party and will be banned from the club. This applies to any member, their family or their friends, so don't forget you are responsible for your whole family.

Don't forget your A.G.M. nomination forms, they must be in by 15th November. Only items on the agenda can be discussed at the meeting so get them in as soon as possible.

Also riders, Mr. Gainey is ready and waiting to count the personality votes, so get them to him without further delay.

So, Happy Scrambling,

L. E. SHEARS.

Secretary's Notes.

As you have probably read in the comics, Ralph Venables has written a book about Schoolboy Scrambling, and we have received a letter from the Oxford Illustrated Press, Ltd., that we may purchase this book direct, and they promise it in time for Christmas, so if you are interested give me your name and £2.75p. today and I will send the order right away.

CLUB BADGES.

We notice that riders' shirts are now usually adorned with machine advertising, very often not a club badge to be seen. Come on lads, keep the C.S.S.C. flag flying, and wear a club badge. Available from Club Secretary and Treasurer, price 50p. each.

TIMSBURY - 28th September, 1975.

Many of our members were expecting the meeting to be rained off, but it will take more than a downpour to keep most of our members at home. At first the ground was very slippery and many lads had a bit of trouble negotiating the adverse camber and the hill, but with a little practice and a lot of determination they were soon looking like veterans and although perhaps the speed was down a little from those hot summer Sundays it was certainly much more exciting.

Timothy Wheeler took five of the six junior races and Ken Nurden the other coming second four times, while Steve Gray also took two second places. In the intermediate group Chris Salter managed five wins but not without a tussel with Adrian Willmott who won the other race. Andrew Ford showed great promise. Paul Collins and Andy Sugg were without doubt the senior star riders, dicing throughout the day, but in race four when one lap scorer said 15, and the other 92, the third said 'I don't know' we thought it should be a joint win. Forgive me if this is not the way you saw it but it was a good race. Eion Bailey on his first day in the Seniors, making third place three times. Expert visitor Adrian Tristram with three wins and Nigel Fox with two wins, while Chris Beavis won the points race gave some very entertaining riding and we must thank you all for a great days scrambling.

BURTON - 5th October, 1975.

Back to Burton, and the weather still very kind and this a favourite course of many was marred only by wasps nests having taken over the grandstand side of the valley where quite a few of them made their presence felt.

The racing was fast and very exciting and the leaders were changing all the time. With only one more Championship meeting left to run, the points races were very close in all groups with all riders hoping to get just a few extra points. Alan Rossiter and Tim Wheeler shared the first places in the junior group but Ken Nurden was always right with them. Although Chris Salter had four good wins in the Intermediate group it was Andrew Ford who won the other race and caused a great deal of excitement. Derek Mills won three senior races and Andy Sugg and Paul Collins one each and Nigel Fox won the first two expert races, Richard Ford the other three, with Chris Beavis always hot on their tails.

TEAM EVENT & SCRAMBLE. WITHAM PARK - 19th October, 1975.

When this team event was planned, little did we think that it would be such a big meeting. When the programme was drawn up, it was not expected to have to run heats and finals or to split the Junior 50 cc and 90 cc's, however, it was a good meeting with everyone in fine spirits. The new look extra long track was great, but time consuming and it soon became evident that we should cut the length of races to get through the programme, even then we ran out of light. It was a disappointment to us all that the last senior final could not be run but safety must come first.

The team races were perhaps the most exciting races of the year, and we must thank our teams for the splendid way they rode together. Congratulations to our Senior team, Keith Turner, Andy Sugg, Derek Mills, Bart Toogood and Reserves Kelvin Ashford, Eion Bailey and Dean Clark. It was stiff competition and you rode to a well deserved win.

B.S.M.A.

At the last meeting of the B.S.M.A. a suggestion was made that at this year's A.G.M. an effort should be made to adjust the rules to make them acceptable to all clubs with the association, this will mean an adjustment of ages and machine capacities and perhaps the way the 125 cc class is divided into seniors and experts. All delegates present seemed prepared to give a bit so we feel confident that next year the lads will be able to ride in their own groups with riders of their own age. As the B.S.M.A. Annual General Meeting is on 23rd November we should be able to tell you the outcome at our own A.G.M. on 7th December 1975.

DONCOMBE - 26th October, 1975.

Once again the weather was kind, but with the alteration of the clocks we were off to an early start. It being the last championship race tension was high and excitement a plenty. Some of our ex riders who with no meeting of their own came along to watch and this all added to the enjoyment of the day.

Paul Collins this week up graded to Experts, and Chris Salter up graded to Seniors, both did very well, though it was still Nigel Fox and Richard Ford who did the Expert winning, while Derek Mills won all the Senior races. Nice to see Bart back and doing so well again. Adrian Willmott was certainly the star of the Intermediate Group and Tim Wheeler won all the Junior races. Robert Shears too was back in the saddle for the first time since his accident at West Mercia, also rode well. Well done Robert.

PERSONALITY PAGE - PAUL COLLINS, No. 92.

Paul is the eldest son of Jean and Roger Collins, and what a job to write this page. This shy young man has made me ferret out details of his scrambling career, so I'm afraid he will have to forgive me if there are bits missing.

Paul joined Corsham Schoolboy Scramblers before it was formed as a club. He started scrambling in Spring 1968 in 'C' Group, coming third in the Club Championship in his first season (with Chris Bryan coming second).

First bike, a cut down 50 cc moped, total cost £7.10s. including £2.10s. for a new rear tyre. Second bike, home built 50 cc Suzuki. Third and fourth bikes, also home built 50 Suzuki's.

In 'B' Group, a 100 cc Zundapp used in three different frames, the last one of which the A.J.S. on which he was Intermediate Club Champion 1974. This year he arrived on a new 125 cc Maico, with the help of both his Grandads. Paul got his love of motorcycles from Dad even though Dad's racing was confined to Calne Race track, up Church street and down New Road.

Mum enjoys scrambling, it's nice because all the family can enjoy a day out and she is usually busy with the raffle.

Paul has one brother, John aged 10, he is not at all interested in scrambling, his main interests being photography and anything electrical.

Paul's favourite course is Witham Park, his favourite scrambler - Heikki Nikkola. His other hobbies are swimming, rugby (for which he plays in the first team at school) and maintenance of his bike. Paul is at the John Bentley School, Calne.

His ambitions, he hopes one day to be good enough to reach the big time scrambling, but from what I hear of the trophies on the Collins' sideboard, his success is a pretty sure thing. We wish you all you wish yourself Paul and please forgive me, but as you are C.S.S.C.'s longest riding member, I just had to do it.

Dear Members,

GOSH! What does she expect, two letters in one magazine, I'll be getting writer's cramp next, but seriously, when Freda's duplicator broke down we felt it best to add to the unfinished Full Chat and bring you up-to-date.

The presentation of the ambulance and our last meeting of the season went off very well, we didn't get quite the publicity in the comics we had hoped for, but St. John's were very pleased and that is the most important thing.

I would like to thank most sincerely all the 1975 committee for their efforts in the past year, for their work on the day and their work behind the scenes much of which members know nothing about.

Thank you to the Raffle ladies, who do such a wonderful job and such a great asset to club funds. The lap scorers who spend each and every Sunday doing a most exacting job. St. John Ambulance our own special division who turn up every meeting. Mr. Mills, who with the Range Rover is always at the ready. Mr. Gainey, who in all weathers acts as our starter.

Many, many thanks to all our farmer friends who have been so kind to us all this year. Also many thanks to those members who have helped put up the tracks on Saturday afternoons, those who helped with carnival floats and many, many other things. And of course, Freda for the many hours spent on this magazine. If I have missed anyone I'm sorry but thanks anyway.

However, do not forget the A.G.M. is on 7th Dec. 3 p.m. at the Bridge Centre, Chippenham, and the party on the 10th January 1976 at the Civic Hall, Trowbridge. Tickets will be on sale at the A.G.M.

So 'til then, clean off the mud, do those odd jobs for Mum, and look forward to a good scrambling new year.

L. E. SHEARS.

Dear Members,

I regret that this magazine was delayed but when my duplicator broke down on Friday evening prior to our last meeting, there was no way out. However, I have now added the results of our last meeting and I trust you will all understand.

This year has been a very busy one for me being secretary and magazine editor, but believe me I have enjoyed it. However, we have been fortunate in finding a gentleman volunteer for the job for the 1976 season so I hope to scout round and collect a few more newsy items for printing. Don't forget I could do with a bit of help through the winter so if you have anything to say or anything to sell, drop me a line.

I wish you all a Merry Christmas and a Happy New Year.

FREDA SUGG.

2nd November, 1975. FOXHAM CHRISTMAS TROPHY MEETING.

Our last meeting of 1975 was indeed a memorable one, after many months of collecting sponsors and money, the ambulance was purchased and at last presented to St. Johns, whose personnel turned up in force. After the Chief Superintendent had accepted the ambulance and expressed his thanks he presented the club with a truly magnificent silver trophy to mark the occasion.

The racing was as we have seen throughout this year fast and exciting. The Junior star of the day was without doubt, Timothy Wheeler, who won every race, with Ken Nurden always second, and Alun Rossiter always third. Consistency paid off for Richard Hughes who with three seconds became the overall winner of the Intermediate group, while Adrian Willmott with two wins and Steve Mitchell with one win came fourth and fifth respectively.

The Senior winner was Keith Turner with two wins, and a fourth place, while in second place still on his 100 cc machine came Chris Salter, with two seconds and a third place. Well done Chris. And in the Experts group it was consistency again that paid off as Richard Ford became the overall winner, Chris Beavis second, and Nigel Fox third. Congratulations to the trophy winners and thanks to you all for a good and entertaining ending to the 1975 Season.
