January 1976 39th Edition.

Dear Members,

With the AGM over, and the new committee relected, the new rules, and regs. set up, it was with great disapointment that it became necessary to cancel on Jan 4th meeting. This was done only after last minute consultation with the farmer. Mr. Cook felt that after the excessive rain, together with the likelihood of frost, that the grass would not have stood up to such hard use. I know this left many members confused and some members were not informed for this I am truly sorry.

The Party & Presentation went very well and every one had a good evening. Many, many thanks to Martin & John Ashby for presenting the awards, also many thanks to all who helped out, both before, during, and after the party. Congratulations to all the boys who took home an award.

It was nice to see so many ex-riders & families and our president taking part in the dancing, nice too, to see so many of our farmer friends who tell me that really they look forward to our parties.

Congratulations to Kevin Denman for his excellant performance on the Drums, we wish you well in your new career.

Good luck to all our scrambling boys.

Len Shears Chairman.

Chief Marshals Comments.

To enable me to do my job properly, I must ask you to let me know if you have to leave the meeting early, i.e. before you have done your marshalling.

I appreciate that if your son gets injured you cannot always find me in a hurry, but please get someone to tell me you have had to go, so that I can find the reserve marshall.

Reg. Hughes.

Secretary Notes.

What a start to 1976 season, the meeting arranged for January 4th had to be called off at the last minute, inspection of the track and car park area by some of our committee and the farmer left us with no choice. To these who made the journey to Malmesbury and found nothing but mud, I'm sorry, but it was impossible to contact you all. But PLEASE, if the weather is in doubt, give one of the committee a ring before you set out.

Inquiries for membership are coming in fast, so if you haven't yet re-joined and sent me your 1976 indemnity form, its about time you did, as I can only keep your number until 31st, January.

Check your new set of rules very carefully, the standardizing of rules has made a few changes.

Juniors please note; the new engine capacity is 80cc. max: but you may still ride a 50cc. machine if you wish, but remember the riders feet must touch the ground. Folding footrests are now a rule.

Group have changed a little also, your group is decided by your age on 1st January 1976, and you can stay in that group the whole season, if you do opt to go up mid-season, you must apply to the committee in writing and of course you will lose any points you have gained in the lower group, with the exeption of the experts, who on their 17th birthday finish Schoolboy Scrambling, and go out to show the big boys how it's done, we know it's possible just look to Graham Noyce, Niel Hudson, Martin & Phil Davis, and Kevin Marshall to name, but a few who have already proved the point.

The first Championship meeting is arranged for 14th March, at Doncombe so please make sure your entry is in, in plenty of time, and don't forget to check if the weather is doubtful.

Finally, if you wish to telephone me please make it after 6p.m. and before 9p.m. and if you write and need a reply, please enclose an SAE postage is expensive, so please help the club to save money.

JOHN LAKE.

Christmas Party.

January 10th, 1976.

This years Christmas Party was great fun, The Civic Hall at Trowbridge proved an ideal place, plenty of room for dancing, and for the less energetic plenty of room to sit and chat, Congratulations to all who took home a trophy, and congratulations too, to our ex. No. 65. Kevin Denman, who having exbhanged his scramble gear for a set of drums, demonstrated a talent that surprised us all.

Martin Ashby, this year presented the awards, and reading down the list of his achievements surely a shining example on what can be done with practice & determination, as like many of our club riders, Martin and his brother started their motor cycling career on an old cut down machine prepared by Dad.

Personality Page. Chris Beavis, No. 36.

Chris, known as 'Tub' to his school friends started scrambling three years ago in the middle of the 1972 season. It all came about by his having watched a schoolboy scramble at Selsley, and being persuaded by an Aunt and Uncle to 'Have a Go'. Although I don't think he needed that much persuading.

He made his first appearance at Malmesbury, riding in the 'B' group. His first scrambler being a 100cc. Honda in a Saracen frame, which had previously belonged to Ex. Schoolboy Nick Spencer. He entered the 'A' group at the end of the 1973 season on a 125cc. Rickman. This lasted a season and half, when in August 1975, Dad was persuaded into purchasing a Bultaco.

Mum and Dad enjoy a good Sundays scrambling, although llyr. old sister Alison, and girl friend Sue attend at each meeting, are not so interested, but keep the refreshments going.

Chris attends the Marling School for Boys, Stroud, and is now in his last year. If he obtains the necessary 'O' level results he hopes to secure a place at the Cheltenham College of Technology, to study an Engineering Course. Failing this he will probably stay on at school and try again.

He plays Rugby and Cricket for his school, and enjoys football and all Motor Cycle Sport.

His favourite track is Malmesbury.

His favourite rider is Roger de Coster.

His ambition is to continue into Adult Scrambling should he prove worthy, and on 1975's performance we feel sure he will achieve this.
