Dear Member,

Doncombe turned out to be a good day, I know a few lads would have preferred to cut out the hill, and I know a few Junior riders were cross that they weren't allowed to try it, but we cannot please over a hundred people who have different ideas, but I assure you we do try.

Quite a number of C.S.S.C. members went to the 1st. Round B.S.M.A. and looking at the results I was very proud of our riders. Congratulations boys.

Malmesbury too turned out to be a very good meeting, with the weather on our side. At Burton after a trial run, the juniors proved themselves capable of riding the whole track, and once again we all enjoyed a very good day.

I hope you all had a good day at Milton Clevedon, I enjoyed my day, lazing on the beach, but I must admit my thoughts did wander to scrambling.

Our raffle ladies, Jean Collins & Hazel Salter must be congratulated on their efforts this year, for it is their efforts that keeps our entry fee down.

Just one or two moans, people are still crossing the track while the race is in progress, and riders have been reported passing on the yellow flag. PLEASE read your rules again. My other moan, Well! walking around at the meetings I notice boys riding beyond their ability, I also hear of parents promising new machined or expensive presents to their sons if he beats so and so. Well really! this is just not on to push a rider like this. Remember, it is much easier to win a bed in hospital than to win a trophy, so please think about it.

Hoping my Jockey will soon be back in the saddle.

Regards to you all,

L.E.Shears. Chairman.

IMPORTANT NOTICES.

If you are booked in to ride, and cannot come to the meeting, PLEASE telephone the Chief Marshal, Mr. Reg Hughes at Bitton 4121, so that he can re-arrange his marshalling rota.

At a recent Ringwood meeting one of our riders came through the tapes and hit a pram. Fortunately the baby was unharmed. Also at West Mercia B.S.M.A. Round a child spectator received a nasty bump from a junior bike (thank goodness it wasn't an Expert). In both cases people were too close to the tapes, so we beg of you PLEASE DO NOT STAND or ALLOW YOUR CHILDREN TO STAND close to the tapes, we do not want any accidents of any kind, therefore we must ask you all as members to set an example to non-members, and if you see anyone, adults or children, please ask them nicely to stand clear, and give the riders a chance. This is not just a request from the committee, but riders also, and one rider took the trouble to write to the committee.

FLAGS. Some marshals are confusing riders by not using their flags correctly, please read your marshalling duties notice again, and if you do not understand anything, have a chat with one of the committee. Finally, if there is a false start it is safer to let the riders do a full lap than to let them turn back into the path of oncoming bikes.

DONCOMBE - 14th March 1976.

At last we are "back in the old routine" and great it was to see all our old friends again, especially as it was on the favourite course of many riders.

Kenny Nurden and Nicky Apbolt shared the Junior honours, but Wayne Howell, Brian and Tim Wheeler were usually right there. Andrew Ford wiped up the Inters with four wins, Robert Shears, Richard Hughes and Steven Mitchell always on his heels. Andy Sugg did well to win the first three races, while Mark Webb won the last one, but Chris Salter with four second places was in good form. Eion Bailey and Peter Rushton's fight for fourth place ending in a tie in the last race and added an exciting finale to their day. In the Experts, Derek Mills with three wins to his credit was only able to manage second in the points race, and eight points went to Paul Collins, with Chris Beavis, Stuart Bailey, Kelvin Ashford and Michael Warner each making good third places.

DONCOMBE RESULTS.

With the weather kind it was another very exciting days racing. With so many senior entries it was decided to split the senior group by ability, and give some of our less experienced riders a chance to see what they could do.

Now take a look at the results, and we see that Tim Wheeler had a good day with four good wins in the Juniors and visitor Nicky Abbott winning the other. Ken Nurden and Brian Wheeler too were in good form. It was visitor Philip Hanham who won all four of his intermediate races, but what an exciting points race, with Richard Ford the victor but Andrew Ford a very good second. In the Seniors, it was the visitors who shared the honours, Neil Hanham and Ken Farwell each with two wins, and two seconds were chased all day by Andy Sugg who with four thirds won the points race. In the Experts, Paul Collins won the first race, Derek Mills the second and the fourth, while another visitor Craig Allen won the third and fifth races.

Thank you for voting me the Intermediate Personality 1975. It was a big surprise and I was very thrilled.

BURTON - 11th April 1976.

What better setting for a scramble than this can you get with a natural grandstand for the spectators and excitement galore for the riders.

Tim Wheeler, again in good form, won the first four races, and visitor Nicky Abbott won the last one.

Andrew Ford was indeed the Intermediate champion with five wins to his credit but Richard Hughes with five seconds certainly showed us plenty of good riding.

Ken Farwell from Ringwood won the first senior race, Andy Sugg the second and fifth races, and Adrian Willmott won the third and fourth races, a very entertaining group with leaders changing all the time. Again the Senior boys were divided in all but the points race giving the slower boys a chance to enjoy themselves without the fast boys, this is done simply because we have so many Senior riders, and it is less time-consuming than heats and finals. Chris Beavis won the first two races and Paul Collins the last three, but Stuart Bailey was always right behind them.

MILTON CLEVEDON - 18th April 1976. EASTER TROPHY MEETING.

With such grand weather and such a good track, it was bound to be an exciting day. After a few spills and anxious moments in practice and the warm-up race, the lads soon got used to the track and a very good day it turned out to be (that is, for all except Terry Passfield who fell and broke his arm. Hope you will soon be back in the saddle Terry.)

Tim Wheeler who won every junior race was a very well deserved winner, and took home that magnificent silver Rose Bowl kindly given by Wootton Auto Body Repairs, while consistency brought second place honours to Wayne Howell and third to Shaun Leyfield.

Great battles were fought between Andrew Ford and Richard Hughes until Richard dismounted and bumped his knee resulted in Andrew the overall winner. Great racing too by Nicky Selwyn and new member, V (?) Somerton.

The Seniors result is always a surprise, with so many riders of equal ability, no race is ever won until it's over. Chris Salter won the warm-up race, and the first trophy race. Bart Toogood the second trophy race and Adrian Willmott won the third, but again consistency paid off and after coming second all day Andy Sugg was the overall winner.

In the Expert group, Chris Beavis won all his races, Rob Wilton came a good second, but throughout the group there was entertainment all the way.

Keith who lives at Stonehouse in Gloucester started scrambling at Hillmarton on a 50 cc Suzuki in 1970 and a year later in 1971 he won the 'C' Group Club Championship. In 1972 and up now to the 'B' Group riding brother's old 100 cc Suzuki he did not get much luck and he spent the next two years looking forward to the Senior class. So in 1975 mounted on a Mk VII 125 Bultaco Keith was back in the running and the trophies. 1976 saw Keith arrive ready for the Expert class mounted on a 125 cc Cotton, and who better to persuade us all we should be buying British. No doubt, Keith has to get used to his new mount and we wish you luck with it.

Keith has plenty of encouragement from brother Roy, who many of you will remember, and Mum and Dad who both enjoy the sport. His ambition is to join the adult scene, gain Expert status and to ride in the same races as Roy (and of course to beat him).

Keith's favourite track is Nympsfield, but would like to see longer tracks whenever possible with more hills and jumps.

Still at school Keith is studying for 'O' levels, on leaving school he hopes to go into the building trade. Meanwhile his spare time is taken up with other sports to keep him fit for scrambling and he especially enjoys Basketball and Football.

Keith would like to take this opportunity to thank Mum and Dad for all their help and encouragement with his scrambling and C.S.S.C. wish him luck for the future.
