JUNE, 1977.

Dear Members,

Due to the resignation of Mr. Len Shears, I have been elected by your Committee to take over as Chairman for the rest of the season. I hope that I will be able to carry out the duties of Chairman as well as Mr. Shears, but I am sure I shall get all the help I need from the rest of the Committee.

Back to scrambling. The Burton Meeting I felt went very well, with some good riding by the lads, I'm not sure about the Dads, but no broken bones I'm pleased to say and the few minor bumps & bruises are now O.K. One point I would like to bring to your notice. During one of the races one of the lads took what seemed to be an exceptionally bad tumble and the other lad involved showed good sportmanship in returning to see that all was well, thereby losing his position in the race, but this is the kind of thing we like to see. Many thanks to the lad.

I had several complaints at this meeting about dogs not being kept under control and indeed one person was bitten. I must emphasise that if dogs are taken to meetings that they must be kept on a lead and under proper supervision.

On to Malmesbury, this was an extra Club Event and was enjoyed by all. A point I would like to bring to your notice. A couple of the lads seem to be crossing the paths of faster riders, causing a bit of "needle" Please try to keep a reasonable line.

The recent Club Meeting at Marlborough run in aid of Manton School started in good weather with some excellent riding on a new circuit, but though the weather deteriorated the riding still maintained a high standard, "Well done lads".

Remember boys "NO OVERTAKING ON THE YELLOW FLAG" This only loses you points and could cause a more serious accident.

I'm pleased to see that all riders took heed as regards speed in the pit area. Thankyou boys, that's the ticket.

I shall miss the next meeting (Wotton-under-Edge) but
Keep Scrambling,

Len Mills.

Well it seems that some of our lads shine at other things besides scrambling. I understand our Intermediate No.58, David Nash has recently broken Ansford School Junior Pole Vault Record. The record has stood at 1.85 metres for quite a few years, and in May, David took it to 2.25 metres, and for those of you who can't think metric, that's 7.382feet.

For several mornings prior to the attempt he was up at 7 a.m. practising on the front lawn with a vaulting pole made from the side-runner of an ex-army stretcher, and a 'landing pad' of eiderdowns and pillows!

This may explain why David likes to take his Suzuki over the high jumps in mid-air!

Andy Sugg too hit the local newspapers recently when he entered Shepton Mallet Motor Clubs Cross Country Run, with the help of two school friends and his uncle, Andy's team won the 1st place trophy.

Three ex Corsham lads also did very well when they entered as a team in a scramble at Ston Easton recently. Stuart Bailey, Chris Beavis, and Rob Wilton certainly deserve our congratulations for there were ten expert teams and twenty junior teams entered and they finished second juniors, and fifth place overall, thus coming away with £12.50 prize money.

Congratulations Lads, Keep it up, and please let me know of any more hidden talent, or ex schoolboy riders successes.

Sponsored Scramble

We are again running a Sponsored Scramble on August Bank Holiday Monday 29th August, 1977. This year all proceeds will go to a fund recently set up to build a Cancer Unit at the Royal United Hospital, Bath. The fund which is called The Bath Oncology Service Fund (Oncology meaning the study of cancer) is held by Wilts Area Health Authority.

Dr. Gilbey who works at the Royal United Hospital researching into Cancer is in charge of the project, hopes to come to the meeting, have a chat, and present the trophies.

Please collect your sponsor card, and your special entry form so that you can begin collecting Sponsors.

Raffle prizes for this meeting would be greatly appreciated as we would like to make our donation to this very worthy cause as big as possible.

FOXHAM,

15th May, 1977.

It was a quick all change to Foxham, when Witham Park became water logged, unfortunately one family missed out on the Grapevine, and made the journey to Witham and still got to Foxham in time, we send you our apologies, and trust you enjoyed the ride.

Down to business, Wayne Howell dominated the Junior group, but Brian Wheeler who won the fourth race was right with Wayne all day. John Peck, Jonathan Wildman also deserve a mention for their riding.

Ken Nurden also dominated his group, winning three out of four races, Tim Wheeler won the other with David Nash right on their tails. Andrew Snelgrove, Glen Foxwell and Anthony Hudd well placed too.

The leaders in the Seniors were more mixed up, Gary Dunn winning two races, Adrian Willmott and Mark Carter winning one each, these boys all fairly well matched gave us some very exciting racing.

Derek Mills was the expert with two wins, while Andy Sugg & Eion Bailey each won one race, again with such entertaining riding, I'm sure we all enjoyed our day.

BURTON. Whitsun Trophy Meeting, 29th May, 1977.

With a natural grandstand on one side of the valley it is possible to watch the whole track, and this makes Burton the favourite track of parents, and most of the riders. And if like this week there is sunshine too, well! what more could we ask.

Wayne Howell again hit the headlines this week, winning all Junior races, as did Tim Wheeler in the Intermediates, congratulations.

After Senior races had been won by Mark Carter, Garry Dunn, Andrew Ford and Adrian Willmott, it was Andrew who became the overall victorious.

Peter Rushton won the Expert war-up race, but it was Derek Mills with three brilliant wins who became the overall winner.

28th May, 1977.

Tony & Hazel Salter would like to thank everyone for their help on May 1st en route to the 2nd B.S.M.A. round. In fact after Cecils magic touch the van continued to go well; I suppose I shouldn't say that, there's always next week, but thanks to all who so kindly stopped and offered help, we seem to cause an awful fuss with our vans, to and from meetings.

Congratulations to all our boys who did so well.

May I also add a big Thank You to all of you, who have phoned asking about Chris, after his mishap at Severn Valley.

Good, soft scrambling to you all!

The Post Office,

Dear Friends,

I would like to thank everyone who phoned or enquired about how I was after the Severn Valley meeting at Stonehouse. It was nice to hear from everyone. I am now on the road to recovery.

All the best,

Chris Salter.

12th June, 1977. Clatford, Nr. Marlborough.

Although the land was limited, the course turned out to be a good one, and when the rain came it showed us just how skillful these lads are. It was unfortunate for the Manton School, as the proceeds from the car park were to swell their funds, and a nice sunny day would no doubt have made a great difference.

Each and every boy who dode today deserved a mention but space is limited so to mention a few, Wayne Howell & Brian Wheeler rode with great skill, Gavin Warden and Ian Parsons too gave us a surprise once or twice, as did Jonathan Nash, John Peck, Paul Holden, Andrew Thomas, Alan Lake, Phillip Somerton, Gregory Hampshire, Timmy Stoneham, Jonathan Wildman & Nigel Huntley. Well done Juniors, and watch out Intermediates.

Now to the Inters and a few surprises there too, Geoffrey Hudd, David Nash, Glen Foxwell and Ken Nurden all winning a race each, while in hot pursuit came Tim Wheeler, Martin Benford, Terry Smith, Mark Hampshire, Shaun Leyfield & Andrew Snelgrove.

The Senior field these days is so big that we split the fast boys from the less experienced, this seems to give many of the slower boys confidence, and they soon find themselves in with the fast boys and doing well. This week Robert Shears & Russel Morgan were amongst those who shone. Russel won one race and Robert two, well done both. In the faster Seniors, it was Adrian Willmott who swept the board winning all his races, congratulations Adrian. Also well done to Gary Dunn & Andrew Ford who both showed us great racing, Vince Somerton, Mark Carter, Tim Seaford, Paul Allen, Paul James, Terry Smith, Michael Bagnal & Richard Toghill also did well to ride into the results under such conditions.

Expert Derek Mills proved himself unbeatable by winning all four of his races. Andy Sugg coming second overall, but giving the spectators plenty of excitement in the third race when dicing with Peter Rushton the whole race. Ian Bailey too gave us good entertainment coming a good third overall with Peter fourth. John Fergus, Chris Salter, Kevin Syph, Alan Brown, Ricky Smith, Chris Mills, Gary Marshall, Martin Astwood, all rode extremely well as did Mark Price, who really should have got a prize for the best Jubilee Machine.
