JUNE 1978.

Dear Members,

Hello folks, four meetings since our last magazine, which takes us back to Foxham. Thanks to all of you who helped by pushing vehicles in before the start of the meeting. It was difficult going for most of the day and we eventually had to alter the track for the Juniors, (rather than lose any of them in the mud).

On to Nympsfield for the Whit-Trophy Meeting, with an improvement in the weather, but still one or two slippery places, making some very interesting racing.

Doncombe for the first time this year and as the day turned out very hot, I think all the riders enjoyed cooling off through the water. A good Meeting this with even the Juniors riding the full course.

Back to Spirthill for the second time this year. A very enjoyable Meeting and we were able to welcome quite a number of visitors, some having travelled from Kent to ride with us.

I was pleased to see so many of you doing well at the Moredon Round of the B.S.M.A. Congratulations boys.

I know you'll all join me in wishing Bart Toogood every success now that he has left us to ride with the men. Good luck Bart.

Daphne Howell and Barb Thatcher are working very hard with the raffle. Please give them your support as the Club dearly needs the extra money now we are having to pay more for tracks etc.

Happy scrambling,

Fred.

FOXHAM. 30.4.78.

Mud! Mud! Glorious mud. That was the scene here at Foxham today. Needless to say the racing continued and we had three full blocks. Looking through the mud splattered faces and number plates we managed to sort out the lads, I even heard one lady say, "Oh yes thats so and so, he had that clump of mud on his helmet last time he came round". Anyway on to the actual racing, the Experts were here, there, everywhere, as well as the other Groups. Adrian Willmott riding superbly, winning the three Expert races ended up overall winner, Russell Morgan and Rod Newman each had a second and a third position, but as Russell had the first 2nd he was the 2nd overall winner with Rod 3rd. Well done Adrian, Russ and Rod.

In the Seniors Tim Seaford rode very well winning all the Senior races, and needless to say was the overall winner. Well done Tim. Vince Sommerton having two second positions and one third rode well throughout the day and was a very good 2nd overall. Ian Shopland gained one 2nd position and one 3rd so was the overall 3rd, good riding Ian.

On to the Inters. Ken Nurden won all the Inter races, as usual riding exceptionally well. John Heath showed us some good riding with one 3rd place, one 4th and one 5th so was the overall second winner. Well done John! Geoffrey Hudd had two 2nd place positions, so ended up 3rd overall. Good riding Geoffrey.

In the Juniors Paul Holden had one win and two 2nd places so was the eventual overall winner, good riding in very difficult conditions Paul. Steven Broadway managed this very muddy track particularly well and to me was the star of the day winning two races, but unfortunately going to ground in the third block, bad luck Steven, but congratulations on coming in 2nd overall.

The 3rd overall position went to Antony Holden having a 3rd, 4th and 5th position, so congratulations to you also Antony on your riding today.

Whit Trophy Meeting. Nympsfield. 14.5.78.

Spring bank holiday time again, time seems to fly and we had a good days racing from all the boys as usual.

Gary Dunn in the Experts rode very well all day and came in 2nd overall, but unfortunately did not qualify for a Trophy as he had not ridden in the previous two meetings.

Bart Toogood was on form today winning the three Expert races, therefore coming in 1st overall. Russell Morgan who I think has three tigers in his tank lately, came in 2nd, 3rd, and 5th making him 2nd overall, well done Russ keep it up.

Kevin Syph had a 3rd, 4th, and 5th position so was in the overall third position at the end of the day, well done Kevin.

In the Seniors we had two Groups, with Tim Seaford winning 2 out of 3 of his races, and having a 2nd place so was the overall winner, and Andrew Ford riding very well winning one of his races and having two 2nd's came in 2nd overall. Well done Andrew. Vince Sommerton winning two of his races and having a 5th position made him the 3rd overall winner.

I was also thrilled to see Alan Newberry win a race in Block 2 and get Overall 7th trophy very well done Alan. Kevin Hammersley is also riding very well lately. Keep it up Kevin. It is super to see boys who have been trying so hard, suddenly get it together, I also noticed Robert Shears going like the wind on several occasions.

Ken Nurden won all three Intermediate races, so with his usual good riding came in 1st overall, with Geoffrey Hudd having three 3rd places coming in 2nd overall. Well done Geoffrey. Jonathan Wildman had three very good 3rd positions so was the overall third, well done you three. The Juniors always seem to be enjoying themselves, come rain or shine, and today was no exception with Wayne Howell on his usual form winning all three Junior races so was the overall winner obviously, with Paul Holden having two 2nd places taking the 2nd overall position, with his brother Antony having three 3rd places, coming in 3rd overall.

Well done Wayne, Paul and Antony. Timothy Stoneham also rode well all day and came in 4th overall. Well done.

PERSONALITY PAGE.
GARY DUNN. (NO. 6).

Gary was born on the 14th July, 1962, at Potters Bar, Middlesex. When he was 2½ years old the family moved to Los Angeles, California, and lived there for 7 years.

During this time Gary had his first taste of motorcycling, and rode a Honda "Monkey Bike" for a short time when he was 5 years old. He did not become involved with bikes again until the family returned to this country. He bought a Suzuki 50 when he was 12 years old for £5. Watching him ride this on the local dump his dad realised that the lad had some talent.

Gary had also bought a couple of other old bikes which he got running and tidied up. He sold them all and ended up with nearly £100.

The £100 went towards the purchase of a Honda TL 125 trials bike. In the winter of 1975/76 he competed in a trials series, winning all but 3 trials and winning the Championship.

Gary started scrambling as a Senior in another Club at the beginning of 1976 on a KX 125 at Beanacre coming 2nd in his first race.

Gary did not start scrambling seriously until mid year when he joined Corsham. He won the Senior Championship in the club he originally started with and also won the Trials Championship again at the end of the year, after winning every trial.

Gary started 1977 with a Honda CR 125, later in the year changing to a Suzuki RM 125. He had a good year winning the same Senior Championship again, was 4th at Corsham, came 5th in the British Schoolboy Championships and 6th in the B.S.M.A.

At the beginning of this year he went up into the Experts and is currently riding a Kawasaki KX 125 a4.

Gary maintains his own bike and riding equipment, trains hard and goes to bed by 9.30.p.m. most nights. Scrambling is a full time occupation for him so he does not have time for many other activities however, he likes swimming, playing pool and basket ball.

Gary has two older sisters: Janet, who is married, and Julie who was married on the 10th of this month. His sisters and his mother, Valerie, are very interested in his scrambling and go to nearly all the Meetings.

In July he will be 16 years old and will go into mens scrambling at the end of the year.

It is his ambition to take up moto-cross as a profession providing he can make the grade in an increasingly competitive sport.

Schoolboy trials and scrambling have done a lot for Gary and he is very grateful to all those people, club members, officials and competitors that have offered advice, help and encouragement, also the many good friends he has made.

DONCOMBE. 28.5.78.

The weather was really good this week-end, lots of sunshine so the river here was really low, and most of the boys managed the water very well, though many came unstuck once they were through the water in the mud beyond.

Anyway we had a good day's racing with several new names appearing in the results, one boy even managing an 11th position in Block 1, (Seniors) although it was his first meeting. Well done.

The Experts had four different winners out of five blocks so the following four boys all did exceptionally well, Bart Toogood winning two plus two 2nd's and one 4th so was the eventual overall winner.

Paul Allen, Russell Morgan and Gary Dunn each won one race. Good riding Bart, Paul Russell and Gary. Paul Allen also had a 2nd two 3rd's and one 4th so was the 2nd overall winner. Gary Dunn with one 1st two 2nd's whilst Russell Morgan had the same number of points as Gary with a 1st 3rd, 4th and 5th was the overall 4th as Gary won his race before Russell won his. Well done all of you.

The Seniors had two Groups with Andrew Ford and Tim Seaford each having equal points with 3 wins and two 2nd's each, but as Tim won the first race was 1st overall with Andrew a very good 2nd overall. Vince Sommerton with one point behind them was the 3rd overall. Good riding Tim, Andrew, and Vince.

Over in the Inters I see visitor Tim Wheeler gained maximum points so was the overall 1st, with Geoffrey Hudd close on his tail coming in 2nd overall with three 2nd's, a 3rd and a 4th. Well done Geoffrey.

Steven Ingram is riding very well now and is fast becoming one of our very good riders. He had three 2nd's, a 3rd and a 4th and was the 3rd overall winner. Well done Steven.

The Juniors saw Brian Wheeler as overall winner with four 1st's and one 3rd. Paul Holden came 2nd overall winning one race and having two 2nd's and one 3rd position. Antony Holden did very well, having two 2nd's a 3rd 4th and 6th position making him the 3rd overall. Well done Brian Paul and Antony. Also well done Ian Broomfield coming 2nd in Block 1.

from Andy Thomas (No. 38)

The weather was good today, the track was quite long too, with a bog in the 2nd field adding to all the riders 'enjoyment', as I am sure it did for Roger Howell, our travelling marshall for the day. Gary Dunn was our undisputed winner in the Experts winning all five blocks and coming 1st overall. Paul Robinson having one 2nd, three 3rd's and one 4th came in as the 2nd overall winner. Well done Paul. Mark Bracey having one 2nd and three 3rd's being the 3rd overall winner. Seniors had a visitor from Ringwood P. Hanham for their 1st overall winner as he won four races. There were two groups racing, and Vince Sommerton was the 2nd overall winner having won 3 races with two 2nd's, well done Vince, and Nicky Selwyn had a marvellous day too with a 2nd Place, two 3rd's and a 5th, making him the 3rd overall winner. I also noticed David Nash riding very well today, coming 2nd in one race, and then he injured his shoulder, and had to give up, bad luck David, hope you are now on the mend. Boys did you notice a new girl in your group today? We wish you all the best for the future with us Michelle. Geoffrey Hudd came 1st overall in the Inters with three 1st's, a 2nd and a 3rd position, well done Geoffrey. Jonathan Wildman coming 2nd overall with two 1st's, two 2nd's and a 5th, good riding Jonathan. A visitor, T. Mattingley taking the 3rd overall position, and John Heath was the 4th overall winner. The Juniors had our Wayne Howell winning all his races, riding very well as usual, with Stephen Broadway riding very well having four 2nd's and a 3rd making him the overall 2nd winner. Well done Stephen. The 3rd overall winner was Antony Holden with a 2nd, three 3rd's and a 6th position. Well done all of you.
