Hello Members,

Welcome to 1977 season, I hope everyone will have a good season, and enjoy their scrambling, whether they are winning or riding for fun

It doesn't seem long ago we finished 1976 season, time flies so fast, I hope and trust you Dad's have got all the decorating finished.

We started the season at Doncombe, some like this track, and some don't, but never the less we always seem to have a good day's scrambling there, and with such a lot of new boys riding, everybody seemed to mix in and ride together exceptionally well.

Just one little thing, LITTER there was quite allot left around the cars, I don't want to harp on about it, BUT we have lost tracks in the past through just this, so PLEASE take your litter home, or we might have to impose some sort of fine.

Thanks to our raffle ladies, you really did do well, and we too must help them raise the much needed revenue, so if any of you would care to donate a raffle prize it would be a big help.

I went to Severn Valley on Sunday, and I really enjoyed my days scramble, the Corsham boy's riding did the club proud, I think they would wish me to say thank you Severn Valley, it was a good meeting.

However, that's enough from me, see you all Sunday and enjoy another good days scrambling.

Len Shears,

Chairman.

Dear Members,

Your generosity was overwhelming, and how to thank you on the night of the party for that lovely present was really beyond me. It was such a surprise, and although it is unusual for me, I was really lost for words.

However, I would like to thank you all very, very much, and I assure you it is a present I shall treasure.

See you all next year.

Freda Sugg.

THANK YOU BOYS.

As you all know our sponsor meeting proceeds were divided between two very deserving charities, Elmfield School for the Deaf, and the Bur'an Hill School for Handicapped Children.

Letters of thanks have been received, one from Princess Margaret, I think Jean has the letter's and when she is better, I will get them copied for our magazine. But you can rest assured your efforts really were appreciated.

Editor's Comments.

I really did mean it, I really have got so much to do that I really didn't ought to be writing this, but the pen is easier to use than the paint-brush, or the spade, and I do hate housework. However I didn't like to think that you would be without a magazine, so Ill try very hard to see you get at least all the results this year, I will try also to get it all organized with a duplicating firm, and another member so that when Andy rides with the adults next year someone can easily take over.

Ringwood Club Magazine looked doubtfull last year when Reg Miles gave up as editor, but anyone who has seen their scrambletta will I'm sure agree that their new editor is doing a fine job, but he is not left to write it all himself. Lots of people write bits of news, so please if you want a magazine let's have some news items etc, and please if there is any one whon thinks they would like to have a go, please don't be shy.

I don't expect to get to committee meetings, but I think Audrey & Jean will keep me informed.

Jean as you know has spent quite a bit of time in hospital, but I'm glad to say she is now on the mend. I'm sure you will all appreciate that Reg' is kept very busy without Jean so please do not telephone her for the moment, either write a letter, and enclose a S.A.E. or ring another committee member.

Jean would like to thank everyone for their flowers, cards, kind wishes, and help etc. At present she is unable to write to you, but beleive me she is pleased to hear from you.

33 new members have been accepted into the club, we welcome you all, and trust you will all enjoy yourselves as we do.

1977 B.S.M.A. Championship will be run over five rounds, and all results will count.

1977 Dates are as follows:

Round 1.	West Mercia.	Sunday 3rd April.
Round 2.	Seven Valley.	Sunday 1st.May.
Round 3.	Midland.	Monday 6th June.
Round 4.	Corsham.	Sunday 7th August.
Round 5.	Ringwood.	Sunday 4th September.

And I understand you may ride all or as many as you wish.

Please Note. You must get yourself a bib to wear at these rounds, displaying your number on your back, (and front if you wish) the number must match your bike i.e. Expert Yellow background, Senior Blue, this we hope will solve any lap scoring problems. So lets have good response from Corsham, and see how many of those trophies we can secure.

Entry Forms available from Mrs. Leyfield now.

The Cotswold Club are holding a Scramble in memory of Mark Read on 5th June, entry forms I understand will be available shortly.

No doubt many of you will be pleased to know that Ringwood and Severn Valley Clubs are running alternate to Corsham, so we should get rides on alternate week fairly easily.

Competition Secretarys are:

Ringwood. Mr. P. Coates, 78, Runneymead Avenue, Bear Cross, Bournemouth, Hants.

Severn Valley. Mr. R. Bedford, Glebe Cottage, Castle Morton, Nr. Malvern.

Please write in early, and don't forget enclose entry fee, and S.A.E for reply.

6th March, 1977. Doncombe.

Before we recap or enthuse about the days events, I think we should pause to thank faithful Fred Leyfield, and all those who worked so hard making a track into the car park. Many of us who have been coming here for years, can appreciate how much work went into that gate way and track. Many thanks one and all.

Down to scrambling, and what a line up, new faces, new machines, new gear, and old faithfuls, all saying goodbye winter, hello scrambling. Within each group the older and faster boys gone up, and new names appearing in the results some of these names gave us some very exciting races.

Wayne Howell, Kevin Butcher, and Brian Wheeler first spring to mind when I think of junior racing, while Tim Wheeler, Ken Nurden, & Chris Witts dived in the intermediate, but in the intermediate points race Richard Pecks second place thrilled us all.

With the senior boys split into two races, it was difficult to really sort things out, but Bart Toogood came back into scrambling in a big way, nice to see you back Bart. Adrian Willmott also back after injury last year showed us that he like Bart intends to show great promise.

Well the experts perhaps surprised me most, I never expected such racing, Andy Sugg and Derek Mills doing great battle, and Andy winning three out of four, but falling in the third race, when Martin Astwood became the victor.

What an exciting days racing, and who knows what's in store when all these lads have had time to get used to their machines.
