Hello Folks,

This is your new Chairman, Fred Leyfield, Fred to everyone. Thank you all for voting me in. I hope with the help of the Committee to continue to make Corsham Club the best in the Country.

Now the Season has got under way I want you all to know that we have had problems renewing our Insurance Cover. So I must remind you that in the interests of safety, Rules will have to be Enforced, particularly with regard to riding in the pit area and crossing the track. Having got that off my chest I'd like to welcome all new Members to the Club.

After so much rain we were lucky to get the track at Bradenstoke and it turned out to be a lovely day, with even the least experienced of you managing quite well as the mud dried up a little.

Although having lost a number of our top riders, we still saw some very exciting races in both the Expert and Senior groups, as indeed we also saw some good racing in the Inters and Juniors. We were able to welcome a number of visitors, one family having travelled up from Cornwall to ride with us. I hope they enjoyed their day and will come again.

The following Members all very kindly helped out with repairs and painting to the Club Landrover and toilets, during the winter, I know you'll all join me in thanking them. Mr. P. Walton, Mr. M. Bracey, Mr. C. Mitchell and Mr. G. Monger. Help of this sort is always very much appreciated.

Good Luck Boys and Girls, and safe scrambling.

Fred.

BRADENSTOKE. 5th March, 1978.

Here we are at the start of a new season's racing, with a lovely spring day here at Bradenstoke. Who would believe two or three week's ago we were literally up to our knees in snow.

Those of you who were not at the A.G.M. please read your RULE'S booklet carefully as several new rules have been added, which MUST be adhered to. e.g. Scrutineering finishes at 10 a.m.

As you will notice in the results there are now straight races in the Senior and Expert groups, with no final races.

For the first meeting we saw some very good racing in all groups, although it seems strange to have a lot of well known faces missing from the Expert Group, I am sure during the coming season we will have some very exciting racing as we did last season.

In the Expert Groups we had Adrian Willmott and Gary Dunn winning the Points races, with Adrian Willmott, Gary Dunn and Bart Toogood winning the other races.

In the Senior Groups Tim Seaford won his point's race and Andrew Ford won his. Tim Seaford also won every race he entered (the only boy to do so) so it was a really good day for him. Well done Tim!

Mark Sommerton and Ian Shopland won the other races.

Intermediate John Heath won the points race. Very well done John!

Ken Nurden and Tim Wheeler winning the others.

Junior Wayne Howell won the all important point's race. Good racing Wayne. Brian Wheeler and Wayne winning the others.

Well done all of you, a good start to the 1978 season.

I have received the following information about some of our old boys:

Andy Sugg will be riding a 250 Maico.

Chris Salter a 250 Yamaha.

Chris Mills a 400 Maico.

Gary Marshall a 400 (?) K.T.M.

Derek Mills a 400 Suzuki.

All these boys will be having their first ride shortly, so the best of luck to them all. Please keep us informed.

---

Mr. and Mrs. R. Howell wishes to thank the 1977. Committee for awarding Darren the Best Effort Trophy at the Christmas Presentation Dance. He is rightly very proud of it, and we all think he is a plucky lad, and he is improving all the time. Keep it up Darren.

---

Mrs. Howell will gratefully accept any Raffle Prizes during the coming season that anybody would care to donate to the Club on behalf of the Club Funds. Remember the Raffles ke p us surviving, so do please help. Thank you.

Dear Friends,

I would first like to apologise to those of you who made it to the skittles evening, and explain that like many others we did leave home to go, but we only managed the first mile, even in the Land Rover, and had we not returned when we did, may have spent the next three days digging our way back instead of digging our way out.

Those who did get to the Red Lion, and those who tried but failed, I hope you are none the worse for the adventure. It should have been a good evening, as seventy eight people were booked to attend.

I have tried to book another evening, but the alley is fully booked until late in May, and by then scrambling will be in full swing, so I thought it might be better to try again later in the year, please let me know what you think.

Regards to all our many friends, have a good day at Milton Clevedon, and indeed a good season.

Freda Sugg.

BACK IN THE SADDLE.

Another season started,  
Bikes are shiny new,  
Who will be the winner,  
Could be me or you.

Boys and bikes are waiting,  
All along the line,  
Engines are a-roaring  
Throttles all held back,  
Waiting for the light to go,  
Then racing round the track.

The Marshall's flag is waving,  
Someone bites the dust,  
But this doesn't stop him,

cont.

Poem cont.

On the bike he leaps  
Races down the track again,  
Over the hill and down the straight,  
Dad is waving, Mother too,  
Only one more lap to do.

Another Sunday over,  
Bikes and boots to clean,  
Back to school tomorrow  
Home-work to be done,  
Wishing that next Sunday  
Would hurry up and come.

This Gem was composed by Mr. Sid Webb.

There was a young scrambler called Timmy  
Who rides a RM 80 Suzuki,  
When Matthew fell off up in front  
He gave him, oh, such a shunt,  
And left tyre marks on young skinny.

There was a young scrambler called Garry,  
Whose aim was not to tarry,  
Tho' his kwacker was fast  
This lad was still passed  
By Bart on his flying Suzuki.

Our Club Chairman is called Fred,  
He often see's red,  
When he gets on the mike  
He'll drown any bike,  
I wished I'd stayed home in bed.

Timmy was a motocrosser,  
Who wanted to be a winner,  
His father said son  
There's cups to be won,  
But you won't until your thinner.

There was a young scrambler called Matthew,  
Whose face went a red kind of hue,  
His dad watched quite proudly,  
And shouted quite loudly,  
"Watch out there's a snail passing you".

Matthew was Number 1.2.7.  
On his Yam he is in heaven,  
Tho' he quite often comes off  
There's no need to scoff,  
We all think he's a brave 'un.

Spirthill. 19th March 1978.

Well I am sure I do not need to remind you about Sunday's weather. What a day!

I think almost all of us had to be towed out by one of the farmer's tractors. The poor farmer and his lads were kept busy until almost 8 o'clock. It was really good of them, if they had not offered their help, we would still be pushing our way out.

Needless to say, the weather did not deter our lads, we saw some very good racing, and we applaud the way you all kept going, even in the pouring rain.

Expert Gary Dunn won the points race with Bart Toogood and Kevin Syph 2nd and 3rd respectively, the overall result being: 1st Gary Dunn, Bart Toogood 2nd and 3rd Paul Milverton. Good riding you three. A little mention for Expert Rod Newman who rode in Block 4 with no gear lever and managed to finish in 6th position. So good riding Rod.

In the Seniors we had Tim Seaford winning his all important points race, so well done Tim, and Vince Sommerton won the other Senior points race, well done also Vince. Also a mention for Glen Foxwell who did exceptionally well coming 2nd in his points race (he has just moved up from the Inters.), behind him was Andrew Snelgrove who has also just moved up. Very well done you two, keep it up. Vince Sommerton was the overall winner, with Mark Sommerton having a very good day coming second overall, and Nicky Selwyn coming 3rd overall which was excellent.

Over to the Intermediates, we had our Kenny Nurden winning the points race and also coming 1st overall, good riding as usual Ken. Jonathan Wildman having just moved up from the Juniors did a very good days racing making him 3rd overall, and John Heath showing good form was 4th overall. The 2nd overall was visitor Russel Peaster.

On to the Juniors, our little Champion Wayne Howell was on form again today winning all the Junior races, points and non-points. Well done Wayne! Paul Holden and Stephen Broadway did very well in the points race coming 2nd and 3rd, also good riding Jonathan Nash for coming 4th in the points race. Wayne Howell was 1st overall, Paul Holden with some very good riding indeed was 2nd overall and Stephen Broadway 3rd overall.

Well done all you little champions for sticking it out to the end!!

I should like to thank the Committee Members and the two Mr. Cook's who helped at the bottom of the field when the landrover was stuck in the mud at Spirthill last week. They had the very difficult job of trying to push the vehicles up the field in the deep mud. They were all soaking wet and shattered, if the tractors had not arrived when they did to take them the final stages, goodness knows what would have happened. To those of you who nip off home rather to sharply on these occasions, please think twice and see if you can possibly hang on another half an hour to help those in need. The Ambulance was also stuck, goodness knows what the St. John's officers thought of you all leaving them marooned. At least offer to help please. Thank you to all those boys who after a full days racing helped push the cars and vans out before the good farmer arrived, also thanks to those too few mums and dads who did the same.

Thank you all,  
 Maureen Newman.

As so many goggles are similar, when several are found, it is difficult to know the right owners, so Mrs. Jean Hughes has suggested that somewhere on the frames you mark your number, for your own sakes.  
A good idea this.
