November, 1976.

Dear Members,

With the Christmas Trophy Meeting over, the season over, except the A.G.M and the party, what will you do with yourselves, unless like me, you have put off numerous little jobs throughout the season.

However, after such a dry summer, the season ended with wet weekdays and fine Sundays, giving us scrambling at its best, and giving some of our wet weather riders a chance to shine.

The meeting at Synwell, Wootton-under-Edge, was very exciting, due to the hard work put in by Mr. Wheeler, and his band of helpers, in improving the track. Many were hesitant about taking their vehicles down the track to the bottom, but I assure you that to-date no-one has ever been left in the field, until the next meeting, for fear that their rider will get in too much practice!

Many thanks to all those people who helped push the vehicles out.

The Christmas Trophy Meeting at Bradenstoke was also very exciting, ending up with a Dad's race, the results of which were quite surprising. Just one moan, the litter left behind was appalling, it must not happen again, or else action will be taken against the members rider, this seems to be the only way to prevent it.

By the time you have read this magazine, the whole club may be re-organized, with a new Committee, secretary, chairman etc, so it just leaves me to thank all the present committee for working so hard with me during the season.

Many thanks to Mrs. Sugg, for printing, editing and distributing the magazine so well. Thanks to Mrs. Salter & Mrs. Collins for their wonderful effort with the raffle, this helps the Club's Funds enormously, and allows us to afford more bigger & better trophies, but still enabling us to keep the Entry Fee's reasonable. Thanks to you parents and friends for being so generous too.

Thanks also to Mr. Gainey our very good starter, Mrs. Chapman for keeping an eye on our accounts, and last but not least, the St. John's Ambulance Brigade, who without them we could not even think of running a meeting. Thankyou all once again.

Happy Christmas to everyone, and I look forward to seeing you all next season.

yours sincerely,

Len Shears.

Chairman.

Wootton-under-Edge. 24th October, 1976.

The dissatisfaction of not being able to go to Nympsfield was very soon forgotten when the course was inspected, for with the alterations, it made a good course even better.

Tim Wheeler won all the Junior races, with Wayne Howell a good second in the first race, and Ken Nurden coming second in the other two. While Andrew Ford won all three Intermediate races, Vince Somerton second in two, and Tim Seaford second in the last race.

Chris Salter won the first Senior race, and Andy Sugg the other two, while Derek Mills won two Expert races, and Keith Turner the last race.

Christmas Trophy Meeting, 7th November, 1976.

Bradenstoke is always a favourite track, and with it turned round the other way, proved to be very exciting.

Tim Wheeler was in fine form, and won all Junior races, Ken Nurden with two seconds and a fifth finished second overall, but new member No. 136 Paul Holden who came second in the second leg and eventually fourth overall certainly won everyones admiration.

In the Intermediates Vince Somerton put up a fine show with two wins and a second, Andrew Ford coming second with a first, second & seventh place.

Chris Salter won the Seniors with two wins and second place, Andy Sugg with a first, second & third, finished second overall.

Bad Luck for Derek Mills who with two wins, fell in the first race, finished fourth overall. While with a win and two seconds Paul Collins won the Expert Group, with Stuart Bailey overall second.

The 1976 season ending in style with a Dad's Race, (or was it) for the traditional Christmas Puddings. Mr. Wheeler in first place, winning 1st Junior. Mr. Peck 1st Inter, Mr. Fitchett 1st Senior, and Mr. Price 1st Expert.

Congratulations, one and all, see you all next season.

Editors Note.

Regretfully, this is my last magazine, for nearly five scramble seasons I have furnished you with results, and snippets of news. But for the last six months I have found it very difficult to give the time it takes to prepare, type, print and make up the magazine.

John Lake has volunteered to take on the job, so you will not be without a magazine. It will no doubt take on a new look, and I for one look forward to the next issue. Many thanks to the ladies who have written poems, etc in the past, and helped to fill the pages. I'm sure John will be pleased to receive news, etc from you next year.

However, until then I wish you all a very Happy Christmas, and trust we will all meet again next year.

Dear Mr. Hudd,

CORSHAM SCHOOLBOYS SCRAMBLE

I have much pleasure in enclosing a cheque for £15.00 by way of a donation to your Club to mark our appreciation for the Club's services during Carnival Week. Will you please pass to your members our grateful thanks for their display in the park, and for the Scramble which was much enjoyed.

Yours sincerely, D.L. Johnston, Hon. Treasurer.

THANKYOU

The family of No. 95, Kelvin Ashford would like to thank all those who helped to push their van out of the field at Bradenstoke, and in particular Tony Salter, and Roger Howell, who found them down the road broken down. I understand Tony towed the van back to Bath, wher he found faithfull Graham Newport, who rectified the fault.

Many thanks Graham, and indeed to all who helped.
