Dear Members,

We are now nearly halfway through the season and the weather has been extremely kind to us which makes fast riding on all courses.

Our new course at FOXHAM was a little flat compared with others, but now having tried the track once, we can alter it to take advantage of the extra humps and jumps next time. With the grass situation as it is at the moment we have to make the most of any ground a farmer is prepared to let us use. One point the farmer was extremely interested in the racing and enjoyed his one lap of the track at the close of the meeting. He was also impressed with the way we cleared up afterwards taking care not to spoil his other field or leave any litter. Many thanks to everyone who helped.

The Monkton Deverill Inter-Club was an interesting meeting, although on arrival one thought, if we ever get in there will we ever get out at the end, but the weather helped us again and by the end of the meeting the road was much better.

The racing was fast and good, except for one incident involving the St. John's Ambulance men with which I was very disgusted. A Horsham member threatened a member of St. John's. However, the offending man was asked to leave and the St. John's men came back to their post. Should any incident of this nature occur in our Club again the member concerned would be instantly banned from the Club. I would again sincerely apologise and thank the St. John's Ambulance on behalf of the Club.

With the Ringwood Inter-Club on the same day as Calne Carnival Scramble, the boys had a choice where to ride. I understand Bart Toogood, Andy Sugg and Chris Salter went to the Inter-Club and did very well for the Club, with Bart finishing second overall. Well done Bart and all the other boys. Most other boys rode at Calne, another very flat track but dry with the boys all riding fast and enjoying the day's racing. At very short notice we decided to enter a float in the Carnival Procession on the Saturday afternoon. All helped with the work and with Mr. & Mrs. Leyfield, Mr. & Mrs. Parker and Mr. Lake with the children on the float we did very well and collected £11 for the Charities.

We were also asked to take the gate monies on Sunday, this turned out to be a very unpleasant job, with much abuse from the local residents. However, we took £25 for Charity. Many thanks ladies who did this unpleasant task.

FOXHAM, NR. CALNE - 16th June, 1974.

Owing to Mr. Marshall's unexpected retirement from the Committee, Mr. Brian Denman has taken over as Chief Marshal. Many thanks Mr. Marshall for your help in the past, and best wishes to Brian with his new job.

Many thanks to the members who have donated new equipment recently, names that spring to mind are, Mr. Nash, Mr. Salter and Mr. Nurden, thank you all.

Happy racing,

LEN SHEARS.

At the July Committee meeting held at the Shoe on 15th July, 1974, it was agreed to appoint Mr. Leyfield as the new committee member to replace Mr. Marshall. It was also proposed and seconded that the T.V. Trophy meeting at Whitham Friary on 25th and 26th August should be closed to Parent Club riders only. The motion was carried by six votes to two. Unfortunately this means that many of our members will be excluded from this meeting.

With a brand new course, the weather almost perfect, what more could we expect. (No Dad, they can't all win). We soon settled down to a good day's fun. Andy Bubb won the first 'A' Final, Kevin Marshall the second and Neil Griffith the third but throughout the day the competition was very keen, as too was 'B' Group where Phil Spencer won all three finals but Andy Sugg was usually right there with him. Chris Salter, Paul Collins, Derek Mills and Gary Hudson too all gave us some very good entertainment.

In 'C' Group, Nicky Selwyn rode hard to take four of the six wins. Richard Hughes won the other two, well done both of you. Kenneth Nurden, Paul Meredith, Alan Rossiter, Richard Toghill and Martin Lake were also placed high in the results and we see also Stephen Gray, Timmy Poole and Shaun Leyfield's name there too. On the whole a great day's sport in very nice countryside.

CORSHAM INTERCLUB - MONKTON DEVERILL. 30th June, 1974.

This is a grand spot for a meeting and probably the reason for such a good entry. After such a wet night, and a wet start it was good to see the clouds clear away.

'C' Group of course, had a few larger capacity bikes, and on his 90 Suzuki Mike Parry won all three legs. However, we all know that in scrambling power isn't always what is needed and if you look in the results you will see that there were quite a few lads on 50 cc machines who beat the other large engines. Therefore it was Richard Hughes who won two 'C' Group Finals and J. Hilliar the other in the 50 cc class.

We offer congratulations to all riders who rode their way into the results, especially Richard Hughes, Kenneth Nurden and Alan Rossiter the Corsham riders who secured a trophy.

In 'B' Group, all the bikes were of the same capacity (I just wish they were of equal reliability) and we saw some very close and exciting racing, again we had another Corsham first with Philip Spencer and Bart Toogood, Mark Webb and Derek Mills also took home trophies.

'A' Group was this year split to fall in line with other clubs and several of our own lads opted to join in with the experts. However, Corsham successes in 'A' Group were Raymond Stacey with second and Kevin Denman with third place trophies. Well done both and nice to see Kevin back in the saddle. In the expert class Corsham also secured two trophies, Kevin Marshall second and Chris Bryan fourth and we congratulate them also, as indeed we congratulate all our visitors in either group who took home a trophy, we thank you for your support, and trust you too enjoyed your visit.

On Sunday July 7th Ringwood held their Interclub meeting. Unfortunately, it clashed with the Adult Scramble at Doddington, and our own Trophy Meeting for Calne Carnival. Only four Corsham lads were there to keep the Club flag flying, one 'A' Group 153 Nicky Keenan, and three 'B' Group lads, 88 Bart Toogood, 15 Andy Sugg and 8 Chris Salter. All lads rode well throughout the day and Bart brought home the 2nd place 'B' Group trophy. Congratulations Bart. Chris 5th Overall. Well done Chris, but alas, Andy was 7th but Ringwood's trophy was to sixth place. Never mind, a good day's racing was enjoyed by all.

CALNE CARNIVAL MEETING - 7th JULY.

As we were away at the Ringwood meeting I could only write my report from the lap sheets, and some very interesting things I find in them but first I checked all the sheets, and the result sheets - waste of time I still had the same answers so I will just give you full results. Those new names I found in the results were quite correct. Well done lads, I trust we shall be seeing your names again with regularity.

This was near at home for some members who usually have long journeys but for others not so used to travelling it was a long drive. But it was a nice new course for us all, with that and the fact that the weather was kind a grand day was had by all.

The boys soon got used to the rough twisty track, and as you will see from the results, John Nash won the first 'C' Group race, Nicky Selwyn won two, Alan Rossiter one and Kenneth Nurden two. Derek Mills won all three 'B' Group races, while Chris Bryan won the first 'A' Group race and Kevin Marshall the other two. Well done Lads.

Christopher and Michael Downes are the sons of a local Doctor, living in Bristol. They started scrambling 2 years ago after seeing a meeting at the Corsham Club at Malmesbury. It was Dad's idea to find out what schoolboy scrambling was all about, so with Christopher straight into 'A' Group on a Bultaco and Michael into 'B' Group on a modified trials Suzuki 80 they soon found out.

Both boys have spent most of their lives on the South Sea Island of Fiji where most of their leisure time was spent in boats, fishing, water skiing and skin diving. Needless to say some feature of this lazy life abroad have stuck and it still takes them a couple of days to recover from the rigours of a meeting - that's Dad's remarks but we can see nothing lazy about their riding.

Motor cycles were a rarity on the Island, one they remember was ridden by a maniac Minister of Religion and another with a chair was to be seen on the streets of the capital on which was a very likable Chinese, who waved to all and sundry as he passed by.

So the Downes family are novices at the scrambling game, but the Boys are doing rather better than Mum and Dad expected.

Michael's favourite course was Vinegar Hill and Christopher's Whitham Friary. Both are very pleased with their 125 Suzuki's and with a lot of prompting and help from Dad keep them in good nick.

Dad's only motor bike experience was on an Ex.W.D. 350 Ariel and Mum's only memories are at some hair raising bumpy pillion rides. However, both have settled down to providing the necessary pit support and offering often inept advice to the riders.

Christopher is 17 on the last day of October and hopes to join the Royal Marine Commandos after completing a further year at School so perhaps his scrambling days are not over.

Michael, who is 15 in August has a few more years at scrambling in the Corsham club. He is not sure yet what he is going to do in later life, but is at the moment, happy enjoying Shooting, Ferreting and country life in general.

We see both names appearing each week in the results, and we shall miss Chris from October. We wish them both luck with their scrambling this season and trust we shall see Christopher from time to time next year when on leave.

PERSONALITY PAGE -- ALAN SMITH, No. 48.

Alan started Scrambling in 1972, straight into 'A' Group, mainly because of his love of motor cycling and the encouragement he got from Dad. His first bike was a 200 cc Tiger Cub, which Dad modified from a road bike to a reasonable scramble machine. Since then he has ridden the "Sprite" he still rides, believing British bikes are still competitive.

Dad is very keen on Schoolboy Scrambling, he has ridden motor cycles for many years, mainly in rallies with an outfit.

Mum prefers "Grass Track" but still gives Alan plenty of support. He has two older brothers, who although not motor cyclists themselves, are keen supporters.

His favourite course is BURTON, or any track with a hill, jumps, bends and speed, which is what scrambling is all about.

Favourite Adult Scramblers? Alan has many, but his favourite would have to be Pete Robson, and his friend Neil Hudson, whose career he follows with great interest.

His other hobbies are Pot Holing and Swimming for which he holds the bronze, silver and gold medals, plus Life Saving.

Alan finished school at Easter and is now working as an apprentice at "Fowlers of Bristol" and is really happy doing a job he likes. His ambitions are to be a good mechanic, also a good scrambler.

Alan says, "I would like to say that our club, "Corsham" has a lot to be proud of with the stars they have produced, it's a great club and a friendly one and would add that I was once told, anyone can be a good winner, but to be a good loser is an equal achievement." (Very true Alan).

We wish Alan all the very best for the future and as a Scramble Club we must hope that Dad this time has his way and scrambling takes first place over grass track.

FOR SALE: White Helmet. Bargain at £3.50p.
Contact - Mr. Gerald Sugg, No. 96.

I understand that one Schoolboy Scramble Club has had to pay out for a cow that died through picking up a TOP from a drink container. I'm not sure of the full details, but I think we must use this as a warning and make sure that we do not leave anything at all about. And please for the sake of the scrambling, if you do see that someone has been careless pick it up and take it home.

STOP THIEF.

No I'm not joking! It appears that there is a light
fingered person in our midst, reports of missing spanners,
gear levers and the latest thing, a new pair of scramble
gloves. Well now this just is not playing the game. Surely
the friendly, trusting way we have been used to will disappear
if this continues.

What no POEMS this year, what has happened ladies?
