There's a lot goes into winning just one race; and even more to win a championship. But there's a lot gone into Honda's 2006 CR and CRF range, too. From the CR85Rs right up to Josh Coppins' mighty, British MX1 championship-winning CRF450R.

And of course, not forgetting the phenomenal, all-new, lighter, more powerful, dual-exhaust CRF250R.

The great thing is, whether you're Josh Coppins or just starting, there's a Honda for all and everyone one of you.

AMCA NEWS

30th OCTOBER 2006

Inter Group Team Events

The AMCA's Inter Group Team event was revived after a 10 year break when it was the annual end of season and always held at the old Brownhills track which is now under the M6 toll road. The venue for this years event was at Shobdon on an AMCA owned circuit in Herefordshire purchased 20 years ago. The local Shobdon Club with other local clubs organised the event and 12 centres, each sent a team of six and for the first time the North West took the Arnold Genders Trophy back to Lancashire. Congratulations to them and to all the teams with North Midlands second and the local Border Group in third place. Behind the scenes the AMCA Transponder Team soon had the results available and the presentation to the winners was made by the AMCA Secretary, Carol Davis.

Winter Enduro Event

The newly formed Market Drayton Motocross Club is holding a Winter Enduro at Hurst Hill, Marbury near Whitchurch on Sunday 3 December 2006. Entries fees are £25.00 for AMCA 'A' Licence holders, £30.00 for AMCA 'B' Licence holders, £20.00 for AMCA Inters and Ladies 'A' Licence holders, £22.00 for AMCA Inters and Ladies 'B' Licence Holders and £40.00 for Late Entries and Non AMCA Licence holders

Inters and Non AMCA members must enter in advance to the AMCA Office Closing date is 24 November. Classes are Inters/Ladies/Juniors/Seniors & Experts/Over 40's/ Over 50's

150cc Honda-4 Strokes

Several riders have called the AMCA office about which classes these bikes would be eligible for in the Junior Classes. Last week the AMCA's Technical Committee met and discussed the matter and also noise tested one of these models. Unfortunately the noise level was over 103dbl at 5,000 rpms which is over the present limit of 98dbl. The matter will be passed to the AMCA's AGM on the 10th December and all clubs are invited to attend so riders should be aware that these bikes are rather noisy. It is a pity that when tests are done by various periodicals that independent noise tests cannot be carried out by qualified personnel so that customers have an idea of just how noisy some of them are. The AMCA can supply suitable engineers to do any noise testing and this is the number one problem as it has been for several years. There are at least nine AMCA clubs at present suffering with noise problems and having notices served on them and at least one of these has found that its track can no longer be used. A reminder to any club which has a noise problem should contact the AMCA office and noise tests can be carried out sooner rather than later.

West Midlands

The newly formed Stourbridge Club hope to run their first event of the season on Sunday the 5th November using the Mallory Park Circuit and welcome late entries which should be booked in advance with Brent Carradine on 0791 4850347.

Bognor and Sunbeam Club

A good weekend down South for the over 40's on the 2nd November. The Blue Beards Trial will be on the 1st September 2007 at Tullecome Rogate and Stedham on the 2nd September. Please book any accommodation early as many riders this year could not book anywhere due to the Goodwood Revival meeting on the same weekend.
