Solos enter Ramp Bend in the first heat of the 350 c.c. event on Easter Monday. The eventual winner of the heat was No. 9, R. Chandler (A.J.S.).

Today's Racing

Some twelve races are lined up on this afternoon's programme of racing organised for the Greater London Council by the British Motor Cycle Racing Club Ltd. Several of the events are graded, in usual "Bemsee" fashion, into junior and senior races. Although the entry is slightly affected by the approach of the T.T. races there should be plenty of interesting racing.

In the "lightweight" class only one race will be run. The chief contender for this event must be Peter Busswell (Honda), the present race record holder at the Palace. He set up this record at the August Bank Holiday meeting two years ago when he won in great style from Jim Russell, Joe Dunphy and Rod Scivyer. At last August's meeting he finished fifth in the 125 c.c. event and fourth in the 250 c.c. event. The 125 c.c. lap record has remained unbroken since April 1963 when G. C. A. Murphy set up an extremely fast time.

G. Gibson (Bultaco) is another name to look out for in this event. He finished in fourth position at both this Easter and last Easter's meeting and he is at present lying eighth in the 125 c.c. British Championships. C. Jones (Bultaco) has also had two good placings here recently, and N. E. Lee (Honda) came third at Bemsee's meeting last August.

The senior 250 and 350 c.c. events should see an interesting duel between two consistently good performers at the Palace—John Blanchard and Reg Everett. John Blanchard recently had his first outing on Seeley machines at Brands backwards run "Hutchinson 100". He put up a fine performance finishing third in the 350 race behind Mike Hailwood and Derek Minter. Today he will be mounted more familiarly on a 250 Bultaco and a 350 Norton. He has appeared here regularly for several years in 250, 350 and 1,000 c.c. events. At the last motor cycle meeting at Easter he carried off both the 250 c.c. and 350 c.c. titles and finished fourth in the 500 c.c.s—despite not having fully recovered from a very nasty spill a few days

before. In fact he has dominated 350 events at the Palace for some time and he holds both the lap and race records in this class.

Both the 250 c.c. lap and race records are held by his chief rival this afternoon, Reg Everett. He will be riding Broad Motors entered Yamahas in the 250 and 350 c.c. events and he is every bit as familiar with the circuit as Blanchard. He won the 250 c.c. final here at Easter last year and followed this up by winning the senior 250 race last August. At Easter he was beaten into third place by Blanchard and M. Carney and he is unlikely to be content to let this defeat go unavenged. Everett is at present lying fourth in the British Championships for 250 c.c. machines. Amongst the other competitors in the senior 250 c.c. race are D. Chester (Yamaha), the winner of this class in Easter 1964, L. G. Rodda (Bultaco), also an earlier winner, and P. K. Irons (Cotton), who won the junior 250 c.c. race here last August.

The senior race for the 1,000 c.c. machines is the last item on the programme and it always rounds the afternoon off with some really tough racing. J. Blanchard (Monard) and D. Chester (Norton) are amongst what may be called the "old hands" competing as, indeed, is J. N. Brillard (Norton). The largest machine in the race will be the 750 c.c. Taraton ridden by D. V. Doyle. R. Moreau (Triumph Norton) has acquitted himself well here in the past. Earlier in the month at Brands, M. Andrew (B.S.A.) was narrowly beaten into third place by John Cooper and Percy Tait in a production machine race. Only 2.6 seconds separated the first three home and Andrew not only made most of the running but also completed the joint fastest lap along with Tait. Another of today's competitors, P. A. Butler (Triumph) finished fifth in that same race.

The threewheeler event remains popular and this afternoon two heats and a final will be run. M. J. Rowell (Norton) has been competing on this circuit since 1959. He last won a title here in August 1961 and he is long overdue for another success as his more recent appearances have included some very near misses. Other drivers to watch are R. S. Woodhouse (Triumph) who was second here last August, D. Comley (E.T.Y. Vincent) and D. Plummer (E.T.Y. Triumph).

To complete the programme there is the usual vintage solo event. For the last few years at the Palace this race has been dominated by Chris Williams (1926 Scott). He will, however, be faced with his old rival, F. R. Cramp (Velocette) who won the race here in August 1963. At their last meeting in August, Williams beat Cramp, setting up a new lap record in the process.

Altogether something to suit all tastes in this afternoon's programme of racing.

Chris Williams

The sight of Chris Williams leading the field in the vintage race is a familiar one to regular visitors to the Palace, but Chris's outings here have by no means been restricted to the vintage solo events as until 1964 he was a frequent competitor in 500 c.c. and 1,000 c.c. races.

His first appearance at this circuit was on a J.A.B.S. in the 1,000 c.c. race in April 1958. His first placing here came in October of the same year when he finished second on his J.A.B.S. It was at this meeting that the B.M.C.R.C. introduced the vintage solo event into their Crystal Palace programme.

In 1959 he started turning his attention to vintage machines and began riding the Clive Waye owned 1926 Scott which he is still riding today. He did not, however give up his other racing activities to concentrate exclusively on vintage machines until 1964. On his first vintage outing here on the Scott he not only won convincingly but also established a new race record and knocked seven seconds off the existing lap record. He has broken his own lap record on four subsequent occasions. He set up the present lap and race records at last August's meeting and it will be interesting to see whether he can further improve his time this afternoon.

Chris, a truck driver, is 29 years old and comes from Digswell in Hertfordshire. He enjoys racing on a small circuit like the Palace and he has certainly had plenty of experience here. He has similar success on other circuits and earlier this month he won the vintage event at a Brands Hatch meeting, breaking the existing vintage lap record in the process. He considers his chief rival this afternoon, and on any occasion when present, to be Roger Cramp. He was, in fact, beaten by Cramp here in August 1963 after a very close tussle. He has since effectively taken his revenge for this defeat and he looks likely to reinforce his supremacy this afternoon.
