**MAGAZINE OF THE CORSHAM SCHOOLBOY SCRAMBLE CLUB**

Dear Members,

By the time you receive this you will be at your last 1974 Scramble and looking back over the season you may think it was a good one for you or maybe not so good, but next year you'll do better.

This is what scrambling is all about, up's and down's, weather permitting! Sometimes it's good, sometimes not so good, but it is for the pleasure of the boys, and in fact the whole family that these Scrambles are organized and I trust you will all have enjoyed them.

However, even if this is the last meeting this year, we must not forget the Scramble scene for at least another two weeks. Next Sunday, ~~8th~~ Dec. 1974, is fixed for the Annual General Meeting and I hope that we shall have a good attendance. Your list of nominated members should be with you very soon, if you have not already received it, so please give it very careful consideration before hand. so that you know exactly how you wish to vote, also think about the agenda and how you wish to vote on that.

The following Saturday, 14th December is of course, the Christmas party, so if you haven't bought your tickets yet, hurry while there are still some left. This is the happy social event we all look forward to, the time when we are supposed to forget the mud, the grease and the scrambling and dance the night away. The Club Champion Trophies will be presented by we hope, two of Corsham famous "old boys" Graham Noyce and Neil Hudson. We also hope that some of our farmer friends will be able to join us and give us all a chance to thank them for all their help.

I know that we may yet get another magazine before 1974 is out but I would like to take this opportunity to thank all the people who have helped me throughout this season. The Farmers, who have been extra kind this year to allow us to use their land when the season has been so wet. St. John's Ambulance, C.S.S.C. special branch who have been with us in all weather conditions, and who have carried out their duties wet through without a complaint. The committee who have helped me throughout the year. The lap scorers, the raffle ladies, Mr. Gainey our starter - what would we do without him. Jenny the Sugg Bros. Typist who somehow always manages to read my writing. Freda for her work editing and making up the magazine. Thank you to all those members who helped in so many ways, making signs, flags, those who helped

with the tracks, taking down and putting up. Thank you too Mr. Mills, Mr. Leyfield, etc, etc, whose vehicles towed out cars to firm ground and of course the scrutineers. Without all your help it would not have been possible to have run so many meetings. So enjoy today and we will look forward to an equally good 1975 Season.

Happy Scrambling,

L. E. SHEARS.

3rd November - FOXHAM.

With the weatherman still giving us rain we must be exceptionally grateful to our farmer friend who was kind enough to allow us to scramble on his land this week. We thank all those lads who read their instructions and refrained from riding up and down the fields between races and trust that those whodid not read the instructions and did ride up and down will have had trouble with their consciences and will not be guilty a second time.

Now a look at the results, Paul Meredith won two 'C' Group races, Kenneth Nurden and Shaun Leyfield one race each. Chris Salter must surely be the 'B' Group star, winning two finals, well done Chris. Well done also to that other Chris, namely Chris Bryan who won all his races.

It was difficult conditions but I'm sure that it is due to Corsham lads riding all types of courses and under all sorts of conditions that wherever we go we see Corsham members to the fore.

24th November - HULAVINGTON.

With the continuous rain we were fortunate to find a farmer friend with a stubble field and even though there were no big hills the slopes, with a few bends, together with that bog through the middle, gave us a grand day's scrambling. In 'C' Group, Martin Lake won the first race while Terry Wheeler on his new bike won 2nd, 5th and 6th races, Paul Meredith the 3rd race, but it was left to Kenny Nurden to win the Points race, well done lads.

In 'B' there were no divided honours, Bart Toogood won all three of the 'B' Group finals, but it was not without great competition from Mark Webb and Derek Mills.

David Holyoak won the first 'A' Group Final with Chris Bryan hot on his tail and it was Chris who won the other two finals. Peter Hawtin and Francis Parker both clocking up a second place. With only one meeting left to go there was some very exciting racing, excitement we shall all miss during the first few months of 1975.

A large contingent of C.S.S.C. riders represented their club at an Interclub Meeting arranged by Severn Valley between South Wales, West Mercia, C.S.S.C. and of course the host club. Corsham lads were very successful and took home some 20 trophies. They also won the shield for the team event.

As an appreciation of the Corsham team's success, the committee members each donated towards a set of small shields to be awarded to the team riders to commemorate this event. These will be presented at the party when the team shield will be on display.

Dear Mrs. Sugg,

Would you please thank the committee who have worked so hard in the past season. I really have enjoyed my Sundays on all the different tracks.

Congratulations Paul Collins for winning the 'B' Group Championship.

Chris Salter.

Riders Please Note!

There is still time to send in your votes for the rider personality awards. This year, Mr. Stafford of Monkton Deverall has donated two more Cups and you are asked to vote for a boy in each Group (no, not yourself). So please try to make this an exciting contest and get your voting paper back as soon as possible. Last day is at the A.G.M. so please hurry.
