COPYRIGHT

All literary matters in the official programme, including the list of competitors and their racing numbers is copyright and any person making illegal use thereof will be prosecuted.

It is also a condition of admission to any event held under an ACU permit that no part of the meeting can be filmed or video recorded and/or video transmitted in any way without the written consent of the promoters/organizers and/or ACU except for the sole purpose of private enjoyment.

NOTICES

The organizers, the ACU and the landowners, do not hold themselves responsible for the loss or damage howsoever caused to the vehicles or goods left in the Car Parks or Paddock.

Dogs must be kept on leads at all times.

Please use the litter bins provided, any litter left behind has to be cleared up by tired voluntary helpers after the meeting.

The clubs ask that you drive with consideration when leaving the course.

RIDING IN THE PADDOCK

Your attention is drawn to the serious consequences which could arise following an accident caused by unauthorised riding of any sort of machine in the paddock.

All too frequently at meetings children are allowed to ride machines in the mistaken belief that because a race paddock is on private property and outside the jurisdiction of the road traffic act, no insurance is necessary.

It cannot be stressed too strongly that liability for a substantial claim could rest with the owners of the vehicle and the driver (or parent in the Case of a minor).

The Unions insurers will quite legitimately repudiate any claim on them for damages arising out of the accident caused by a unauthorised driver.

BARNs and EQUIPMENT

Please ensure that your children due not stray into the barns or onto the equipment at the far end of the course. This area is dangerous and strictly out of bounds.

FLAG SIGNALS

CROSSING THE COURSE
