# JUDE MORRIS RACING FOUNDATION

The Jude Morris Racing Foundation is a charity started in memory of a talented young motocrosser, Jude Morris from Corfe Castle in Dorset who lost his life at a British Youth Championship meeting in 2021 has now donated £101,000 to Air Ambulances UK – who support the work carried out by the airborne groups across the entire UK.

The Jude Morris Racing Foundation was set up by the Morris family and a number of trustees following Jude's untimely death in Duns, Scotland aged 17. It aims to support talented young riders entering the sport and donates 20% of all money raised to Air Ambulances UK.

"This is a very proud day for us," Jude's dad, Mark Morris said. "It's a significant number and a target we were keen to reach as 101 was always Jude's race number."

The Foundation also supports a number of youth riders in various classes. Each getting a budget to work with to help with the cost of motocross.
