South Coast Scramble Club is proud to be supporting the Jude Morris Racing Foundation in 2022.

The Jude Morris Racing Foundation has been set up in memory of Jude, a brilliant 17 year old Motocross athlete who sadly lost his life competing in The British Championship at Duns in Scotland last year.

The Jude Morris Racing Foundation aims to help, develop and coach aspiring athletes through physical and mental performance guidance. It ensures their physical and mental wellbeing for their chosen sport is at the highest level to improve performance, reduce injury and to ensure they can perform.

The Foundation will also set out to provide resource and funds for those needing the support in order to train and take part in sport. The Foundation will provide training in social media, press and media as well as help develop our athletes' commercial skills allowing them to build their sponsor network and become self-funding by the end of their programme.
