## WELCOME TO DARLEY MOOR GOOD FRIDAY 1992

The Darley Moor Club, quite rightly, has a good reputation of giving value for money for their racing members.

But the fans are also on to a good thing here this Easter. A race programme of almost forty races is a schedule that other circuits would find a daunting task most probably beyond them.

When those races line up some of the very best club road racers in the country it all looks an even better deal for the paying spectator.

And if the race day attractions not only include all the usual popular solo and sidecar classes, including the classic brigade, but also solo racing scooters and sensational quads then we are talking race meetings of Steven Spielberg proportions.

All this for just a fiver? Perhaps the Darley Moor financial wizards should be helping the new government cure inflation. Seriously, though, it is great value for money, which ever side of the fence you are.

Time after time the point is made that the Darley Moor Club is a non-profit making organisation. All the proceeds are ploughed back into the club and its facilities.

If you are a racing enthusiast we hope you enjoy today's race meeting, and will come back again, perhaps next time bringing a friend or two.

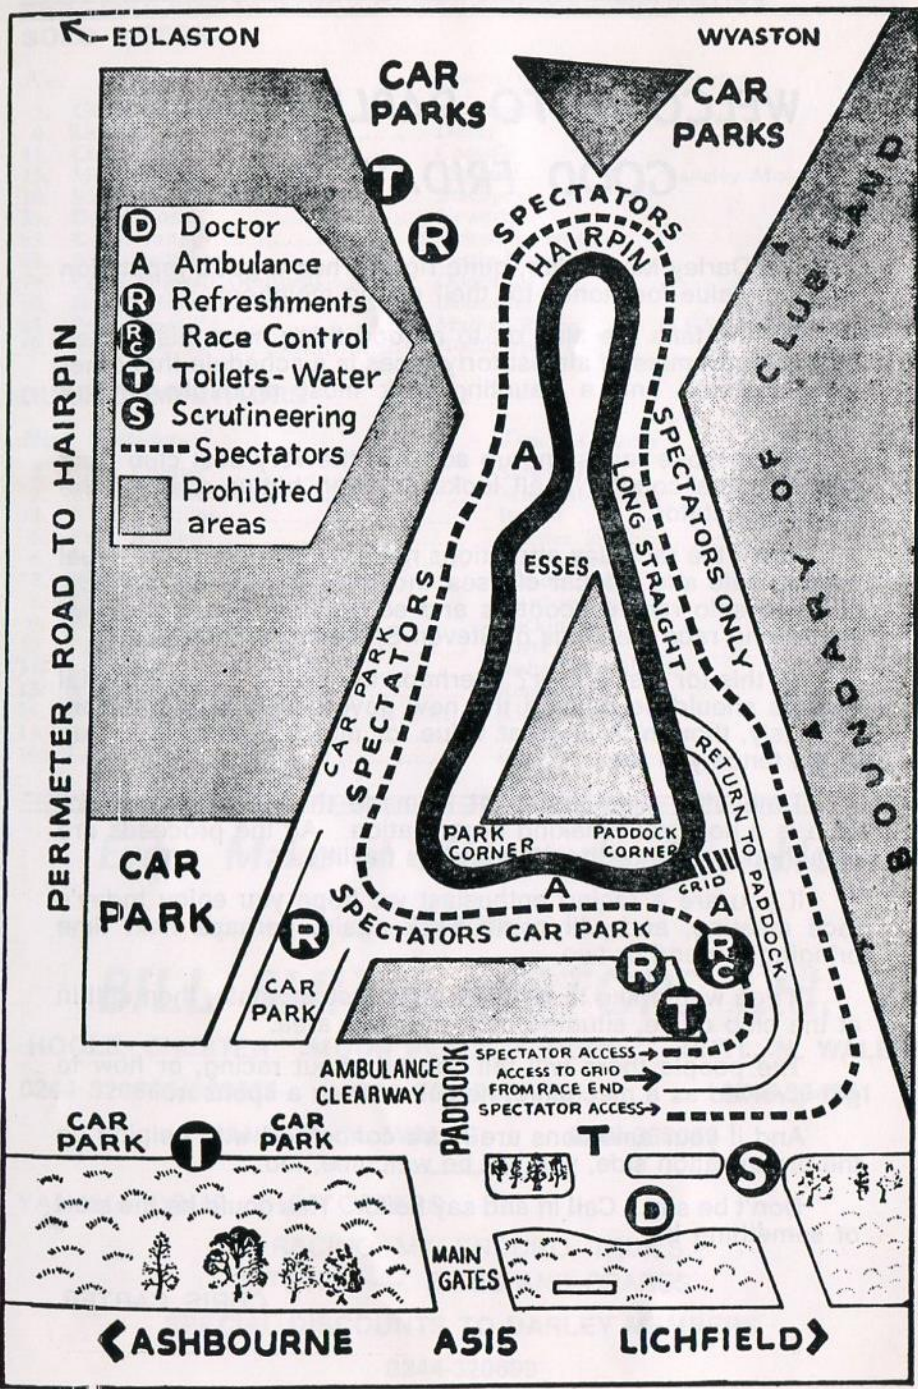

If you would like to do more than just spectate, then call in at the club office, situated near the start area.

The people there will tell you all about racing, or how to get involved as a mechanic, helper or even a sponsor.

And if your ambitions are more concerned with helping on the organisation side, you will be welcome, too.

Don't be shy. Call in and say hello. This could be the start of something big.

CHRIS CARTER.
