# THE DARLEY MOOR HONDA CHALLENGE CUP

The Darley Moor Honda Challenge Cup was first introduced in 1997, and in just two short seasons has become a major competition here.

Mark Garside was the clear-cut winner in that first season, but only one point separated Derek Warrener and Nick Arkell for runner-up spot.

The unlucky Warrener missed out again last year after an epic seven round battle with eventual winner Paul Ollerton.

Thanks to the generosity of Honda UK, the Championship will be held again this year.

Ten points will be awarded for the leader at the half-way stage of each round of the Darley Moor Formula 600 events, 10 points for the winner of each round, 9 points for second and 8 points for third place. Ten points are awarded to the rider with the best turned out machine at each round, judged by commentator Glyn Taylor.

The rider with the most points to their credit at the end of the season will be awarded the prestigious Darley Moor Honda Challenge Cup. In the event of a tie, the rider with the record of highest placed finishes will be declared the winner.
