DARLEY MOOR RACE TRACK NEEDS YOU!

You may not be aware of it, but the Darley Moor Club is a non-profit making organisation.

All the money generated by entry fees and spectator admission charges is used for circuit improvements for the benefit of the club members.

Much of the running costs each season go in track maintenance and other alterations, plus other bills like printing, stationery, paint, toilet rolls and dozens more items, essential in the running of regular road race meetings.

Just about all of the work done at the circuit is down to the generosity and effort of the club members who give up their spare time, free of charge, to make the venue better and better each year.

If you feel you, your company or someone you know, might help reduce the running costs for the club and the circuit this season or next, please contact Chris Carter at the following address :
