## *Bit On The Side.*

The Cadwell challenge turned out to be just that, in more ways than one! I would like to say a big thank you to you all for your patience and understanding with the problems we were faced with. When we did eventually get cracking, albeit, with a revised programme, it was all worth it, so lets rationalise things.

Mike Crawford / Steve Taylor extended their lead in the F2 championship, but not without a hiccup, as they struggled to sort the gremlins out after practise. Pete Goodwin / Russell Garner had another excellent ride finishing in second place, dogging Mike and Steve, with our friends from across the border Doug Murrie / Joe Tuppea in a fine third. John Longmoor with stand in passenger Mick Fairhurst were just behind in fourth.(Rumour has it that Paul Templeman (Flymo) is retiring after this year, so Mick is on the lookout for a ride with someone else.) Mark Carter (say cheese!) / Paul Turkington rode to a fine 5th, with Craig Bloor / Trevor Eaton on their tail in 6th, so the points table is getting rather interesting, (see back of programme).

The formula one lads certainly had a field day, with that man Simon Christie again kicking ass!. Simon with Ivan Murray in the chair, had a brilliant ride to first place, leaving in his wake a good battle between Paul Smart / John Hennigan and Tim Loble / Tony Gauntley who finished in that order, with battle scars to prove it. Jim Hinchliff / John Wain had another good ride to fourth place a little way behind, after his battle with James Bower / Ben Chester, who retired, had blown out. A special mention for Rod Birds passenger Darren Rogerson who deserves a medal after his exploits, it was his first time passengering, and he couldn't quite get to grips with it, bailing out at least three times and still getting back on!. It was also good to see Errol (lard boy) Craven back after a long lay off with Phil Parkes (temporally?) in the chair. Good on yer son! just keep the fitness regime up, (know what I mean!)

The Pete Minion sidecar challenge (Handicap) certainly lived up to expectations, with some exciting moments, as the fast lads come through from the back. Congratulations to Tim Lobley / Tony Gauntley 1100 Suzuki who took the trophy, just!, from a hard charging Ken / Paul Knapton 1100, (one day Ken, one day) who set the fastest lap, with our Scottish friends Doug Murrie / Joe Tuppea on their 600 in a brilliant third place. Simon Christie / Ivan Murray 900 finally got the better of Jim Hinchliff / John Wain and Paul Smart / John Hennigan after some frantic passing movements to finish fourth, fifth and sixth respectively, with John Longmoor / Mick Fairhurst 600 just behind in seventh. All in all it was reet good do, well done everyone.

Finally I would like to give you a reminder that our Dinner/Dance presentation is on November 18th this year at The Spot, Derby. Tickets and info from Ken Chappell on 0115 973 6280 (see ad in programme) if its like the last one, it should be a brill night. Talking about nights, as I bedded down at our recent Cadwell meeting I thought some of our fellow competitors were somewhat refined, as I thought I heard the strains of classical music from some campers nearby, it sounded a bit like The Trumpet Voluntary!

Have a good day everyone.

## THE ROB CLUER TROPHY RACE

In July 1998, on the day before our Annual Darley Moor Meeting, ROB CLUER lost his life following a freak accident on a Motorway in Holland. He had been returning from a Caravanning Holiday abroad with his wife Jenny, when he was fatally injured.

Rob was one of Our Leading and Best-Known Officials and would have been at Darley for that Meeting. He was a long-time and loyal supporter of not just the Derby Phoenix Club, but Motorcycle Racing in General and he will always be sorely missed by everyone who knew him. When the sad news of Rob's death and the bizarre circumstances surrounding the Accident was passed around the Paddock at that Darley Meeting, there was a stunned silence - almost disbelief - underlining the huge respect everyone had for him. Rob had been a Competitive Racer at Club Level for several Years when he decided to hang up his Leathers. Wanting to put something back into the Sport he put his Racing Experience to good use by becoming a Scrutineer. Although very capable of checking any Racing Machine, it was as a Clothing and Helmet Scrutineer that he developed almost second-to-none Expertise. His pleasant and friendly nature when dealing with all Competitors plus his unequalled knowledge and firm but fair application of the Relevant Regulations endeared him to everyone whom he came into contact with.

With the agreement of his Widow Jenny plus Sons Stephen and Philip, the superb Trophy was purchased with a intention of perpetuating his name and to be competed for Annually.

The Club would like to express its gratitude to Jenny and the rest of Rob's Family for their support of this Memorial Race.

Last Year's inaugural Race was very exciting and resulted in a brilliant victory for PAUL NORBURY, and Paul will be defending the Trophy today.

## THE STAN COOPER TROPHY & SHIELD RACE

In June 1995, STAN COOPER lost his life in a Racing Accident whilst competing in the Fore Road Races in Southern Ireland.

Stan, who was "just the wrong side of 40" was a very popular Sidecar Driver who loved and lived for his chosen Sport. As well as devoting all his own time and money in pursuit of perfection with his immaculate Racing Machinery, he always showed the greatest respect for and would give encouragement to his fellow Sidecar Competitors.

His widow, Wendy, donated the excellent Rosebowl and Shield to the Derby Phoenix Club so that both Formula 1 and 2 Class Competitors have a chance of sharing the Glory in this highly-competitive Race, and hopes to be here today to present them with their Prizes.

STAN COOPER will always be remembered by all who knew him....
