The 2009 Stars at Darley Solo Races

The aggregate winner of today's two Stars at Darley Solo races will receive the magnificent Don Ryder Trophy plus £1,000.00

The Don Ryder Trophy is a giant replica of the famous Isle of Man Tourist Trophy Mercury and is unique.

The winner of each race gets 1 point, second 2 points and so on any non-finishers are awarded 36 points. The points for each race are added together and the rider with the lowest number of points is the winner. If there is a tie on points then aggregate times decide the winner, if there is still a tie the winner is the rider setting the fastest time in the second race.
