### INTRODUCTION FROM THE CHAIRMAN.

*May I first of all extend a warm welcome to all new and old spectators of grass track racing. This is the first meeting of its kind at Dodington Park and you will see as we progress through the afternoon that it is quite a spectacular form of motor sport, ranging from standard production cars up to multi-horsepower full race engine "Specials".*

*Grass track racing was formerly known as "Jalopy" racing and has been going on for nine or ten years. It was started by a few farmers in Wales chasing each other round a field but has gradually built up to a nation wide event on Sundays. We have other clubs in our association from as far apart as Hull in Yorkshire, the Isle of Wight, East Anglia and Tenby in West Wales. All will be meeting at Stratford-on-Avon in August 1975 for the National Final.*

*Our club, (Yate & Sodbury) is a brand new club formed in November last and has since grown to nearly 30 members and a total of 20 racing cars. We meet every Monday at the "Oak" in Sodbury High Street and enjoy a fine social evening with our hosts John, Rita & daughter Julie. The meeting proper starts at 8.30 p.m., our social activities continue after the meeting.*

*Anyone interested in racing and who would like to join our team, are made most welcome.*

*To conclude, I would like to wish you all a good days entertainment. We will certainly try our best to keep you amused.*

Stuart Brown  
CHAIRMAN.

## YATE AND SODBURY CLUB NEWS

*A little ode to let you know  
What Yate and Sodbury have to show,  
For five long months of icy weather  
Glueing this and that together.*

*We wives when we want something done  
Must first to farmers gardens come;  
They're at it 'till the dead of night,  
Then home they come, God! What a sight!*

*Now end is near, a lot's been learned  
And each holds breath, whilst key is turned,  
And if your workmanship be good,  
You'll hear the sound you hoped you would;*

*But if your workmanship be poor,  
She'll give a slurp and not a roar.  
So this weekend if you should wonder  
What that noise is, is it thunder?  
My friends it's no such little thing,  
It's Yate & Sodbury in full swing.*

We would like to thank both centres for their help in forming our new Club, and also our own members for all the help they've given so far.

Good luck for the coming season to you all, especially the ladies, we'll need it!

SEE YOU ALL SOON.

Sandra Brown - YS.7.
